To Whom It May Concern,

The World Federation for Mental Health is proud to support the **Light Up the World Purple Awareness Campaign** as part of an international effort to increase awareness about mental health and the effects of bullying.

As the creators of World Mental Health Day we are always on board to support campaigns that bring international awareness to mental health issues. Your Light Up the World Purple project is important to create awareness regarding the effects of bullying on a person's mental health. We understand the significance of this date in your family and know how important it is to make sure that October 10<sup>th</sup> - World Mental Health Day is used to highlight the awareness campaign. It is hoped that we can help spread the word about all that you are doing.

If possible, try to send us pictures of the event so that we can post them on our website to show the world your event!

I would be happy to send you our WFMH logo to use for your WMHDAY Event and if there is anything else we can do, please let me know.

Thank you and good luck with your campaign!
