**RE: Langley Lions Housing Society
Public Hearing – January 13, 2020
Proposed By Law # 3108 #3109 #3110**

To Whom It May Concern:

I am 100% in agreement to the proposed by laws submitted by Langley Lions Housing Society.

As I work in the field of affordable housing, I do see the great need for more housing for low income households.

I would like to give two thumbs up to Langley Lions Housing Society for their proposal for more affordable housing in the Langley community.

Keep up the good work.

Yours Sincerely
Sharilyn Benson
