RESOLVED:

That Council:

- a) request that the Government of Canada:
  - i) declare the overdose crisis a national public health emergency so that it is taken seriously and funded appropriately
  - ii) immediately seek input from the people most affected by this crisis and meet with provinces and territories to develop a comprehensive, Pan-Canadian overdose action plan, which includes comprehensive supports and full consideration of reforms that other countries have used to significantly reduce drug-related fatalities and stigma, such as legal regulation of illicit drugs to ensure safe supply of pharmaceutical alternatives to toxic street drugs, and decriminalization for personal use
- b) forward this motion to other BC municipalities and request they make a similar motion to ask the Government of Canada to address the overdose crisis
