Dear Ms. Jansen:

Tamara

Re: Statement Made in the Media – Langley City is Becoming a ‘ghost town’

I am writing on behalf of Mayor and Council further to an item that was discussed under New Business at the December 14, 2020 Regular Council Meeting. In response to an article in the local media that quoted you as saying, “Langley City is becoming a ghost town”, Council passed the following resolution:

THAT a letter be sent to MP Tamara Jansen requesting a written explanation as to why she made the comment that Langley City is becoming a ghost town, and indicating that Council would be happy to meet with her in person if she so chooses.

We will look forward to hearing from you. Should you wish to meet with Council, please contact my Executive Assistant at djoyal@langleycity.ca and she will be happy to make those arrangements.

Yours truly,
City of Langley

Val van den Broek
Mayor
