Hello, we are writing in regards to concerns we have with the plan to construct a trail in the "Garden Wild" on the South Side of the Nicomekl floodplain.

Please know that the property owners in this location are profoundly against this proposal, for both privacy and security reasons.

To resolve this, the trail should be built on the north side of the river away from private properties. That will create access to Hi Knoll park without creating problems for property owners.

Please give some consideration to the tax paying, long term property owners and redirect the trail to the North Side.

Regards,

Clayton Mooney & Cathy Dukes-Mooney
