My name is Kevin Dhesa and I represent the ownership/management group at the Days Inn and Suites Langley at 20250 Logan Avenue. I strongly support the proposed OCP. Great job to staff on a great land use plan which fully utilizes the proposed sky train. This area needs high density to support the sky train and that is exactly what this plan does.

Thank you,

Kevin Dhesa

Official Community Plan & Nicomekl River District Neighbourhood Plan Update

Virtual Public Hearing on June 28

For Immediate Release

June 8, 2021

The new Official Community Plan (OCP) & Nicomekl River District Neighbourhood Plan have been refined based on community input and are ready to be considered for adoption as a Bylaw by City Council. On May 31, the plans received 1st and 2nd readings from City Council and the next step is a **virtual public hearing on June 28**.

An [engagement summary report](#) details the results of engagement activities that were held in the early months of 2021 to get input on the draft OCP and Nicomekl River District Neighbourhood Plan. These included 2 virtual open houses, an online survey, and referrals to government agencies. The report also describes the changes that have been made to the draft plans to reflect community input.

You can view the new documents by following the links below:

- [Official Community Plan](#)

- [Appendix B: District Policies](#)

[Visit our website](#) to learn more about the plans and review the community feedback that helped shape them. Please also view our list of the "Top 10 Achievements" of these transformative plans below!

The public hearing is a final opportunity for public input. We encourage all residents—including those who have followed the process and provided their ideas and feedback across the various engagement activities—to join us in this milestone and express to Council their thoughts on these important documents.

For more information on the public hearing and to register to speak visit the [Council Meetings & Public Hearings page](#).
