Dear Sir,

**Re: Request for Rezoning / D.P. Application Extension
Zoning Amendment Bylaw No. 3098
19820, 19930, 19940, 19550, 19960, 19970 – 55A Avenue
File : RZ18-18**

This letter is to formally request for a further time extension beyond June 29, 2021 for the above noted project. The reason for the request is due to the fact that market conditions has changed and the developer is pursuing a design with different unit sizes. The number of units, the exterior street elevation, landscape design, parking count remains more or less unchanged. The developer is actively working on getting the demolition permit as well as satisfying other condition set out in the Third Reading letter dated May 1, 2019. They require a time extension to meet these conditions.

Yours truly,

ANDREW CHEUNG ARCHITECTS INC.
