**Attention Mayor Val Van den Broek!**

My name is Ryan Doyle. I'm a Canadian Author of an anti-bullying book entitled "Tears of Loneliness" which is a partial memoir that chronicles my personal experiences involving bullying on a grade-by-grade basis. The remaining sections of "Tears of Loneliness" are tremendously helpful for victims of bullying as well as their family and friends.

I have made several news appearances to promote my book, but mainly to raise awareness about bullying, and to shed light on the fact that bullying must be eliminated from society at all costs. Now more than ever this country needs unity. It is my mission to proclaim September, 20<sup>th</sup>, 2021 "Bullying Elimination Day".

On the dawn of my 28th birthday on Wednesday, March, 18th, 2015, I saved my mother's life. She went into cardiac arrest and I used CPR to save her with the help of my father. She made a full recovery. I was presented with the "2015 City of Oshawa Heroism Award" for saving her life. I would like to declare September, 20<sup>th</sup>, 2021 "Bullying Elimination Day".

I'm confident that you will help me turn my mission into an inspirational reality. I need your help to make this happen. You're an excellent Mayor. I trust that you will assist me with this matter of urgency. You continue to go above and beyond for Canadians.

**Thank you for your time,**
