RE: Shared Waters Alliance request for delegation to Council

On behalf of the Shared Waters Alliance, I would like to request the opportunity to delegate to Council about this initiative. Following our discussions during the last Roundtable meeting in November 2020, we recognize that the City of Langley is doing great work to support the health of Boundary Bay. We have also found areas of alignment between Shared Waters Alliance activities and City of Langley priorities and projects including water quality enhancement and protection.

This delegation would be an opportunity to present on the Shared Waters Alliance current activities, our areas of alignment and the opportunity to join together with others to enhance collaboration towards better water quality and ecosystem health of Boundary Bay. We would also make a modest request for elected official engagement in an inaugural South of Fraser Gathering along with staff engagement in the work of the Shared Waters Alliance.

Thanks for your consideration,

Christy Juteau, RPBio
Conservation Science Director
A Rocha Canada &
Core Team, Shared Waters Alliance

Inspiring Hope. Caring for Creation.
