

## EXPLANATORY NOTE

### BYLAW NO. 3197 DEVELOPMENT PERMIT APPLICATION DP 12-21

To consider Land Use Contract discharge and Development Permit applications by Luc Gosselin for a 6-storey, 200 apartment-unit and 1,518 m<sup>2</sup> commercial mixed-use development at 20785 Fraser Highway.

The purpose of Bylaw No. 3197 is to authorize the discharge of Land Use Contract No. 03-73 from the title of the property located at 20785 Fraser Highway. Two charges on title are proposed to be discharged: the original Land Use Contract registered in 1974 (Registration Number K21998) and a modification to it registered in 1990 (Registration Number AD20305). The subject property is currently zoned C1 Downtown Commercial in Zoning Bylaw No. 2100 and designated “Medium-Density Residential” in Official Community Plan Bylaw No. 2600. In order to incorporate provisions for higher-density mixed uses on the site, the applicant has also applied to amend the OCP to amend the land use designation of the subject property to “Mixed-Use” as proposed in the upcoming new OCP. A Zoning Bylaw amendment is not required, as the property’s existing C1 zoning is able to accommodate the proposed development. All lands designated for commercial and multi-family residential uses are subject to a Development Permit to address building form and character.

City Council has the authority to discharge a land use contract pursuant to Section 546 of the *Local Government Act*.

In accordance with changes to the *Local Government Act* enacted in 2014, all land use contracts in the province will be terminated as of June 30, 2024. The City intends to terminate all land use contracts before this date through the adoption of a new zoning bylaw currently being developed. The City’s authority to do so is provided under section 548 of the *Local Government Act*.
