I am an owner in the adjacent property and would like to state that I am not happy with the proposal. My address is 22 (1) 56th ave. I just cannot see a 49 unit development on that property being environmentally friendly or entirely a safe location for traffic flow. I have witnessed some near accidents of the occupants of the 2 homes trying to go west on 56th ave. because of the median at the intersection of 200th and 56th. They have to make a u turn to go west. Also, somewhat selfishly, a six story building is not my idea of a great view looking west. I sincerely hope that the proposal is denied.

Yours sincerely,
David Doole.
