## COMMITTEE RECOMMENDATION:

THAT Council approve the Crime Prevention Committee 2023 Annual Work Plan.

---

## SUMMARY:

The Terms of Reference for the City of Langley's Crime Prevention Committee requires the Committee to develop a work plan to be approved by Council that aligns with the goals of the City's strategic plan. To that end, the Crime Prevention Committee (CPC) reviewed and finalized the year's work plan focusing on key principals related to quality of life and projecting a positive image of our community.

The CPC recommends that City Council approve the Work Plan as submitted.

Respectfully Submitted,
