## RECOMMENDATION:

THAT Council Policy CO-13 – Ethical Standards of Conduct for Elected Officials be repealed.

---

## PURPOSE:

The purpose of this report is to recommend the repealing of Council Policy CO-13 – Ethical Standards of Conduct for Elected Officials.

## POLICY:

Ethical Standards of Conduct for Elected Officials Policy came into force November 2, 1981.

## COMMENTS/ANALYSIS:

On April 3, 2023, Council gave three readings to Council Code of Conduct Bylaw, 2023, No. 3225. Upon adoption, the bylaw would supersede this policy, making it redundant. Accordingly, it is recommended the policy be repealed.
