Dear Residents,

Please be advised an Advisory Design Panel Meeting about the Pyramid redevelopment application will be held on:

March 29th, 2023, at 7:00 PM
Located in the Council Chambers
at Langley City Hall (20399 Douglas Crescent)

This meeting is part of the City's standard application process and only reviews the design/architecture and landscaping of the proposed new building. Following this Advisory Design Panel meeting, the redevelopment application will go to a Council meeting and a Public Hearing, where tenants and the public can provide feedback to Council about tenant relocation, design, and any other comments they may have.

The Advisory Design Panel meeting is not a Tenant Information Meeting but is an open public meeting that you can attend for your information. Another Tenant Information Meeting will be held before the development application goes to Council.
