Subject: Rail Safety Week 2023 – Sept 18-24, 2023 | Proclamation request – Follow up

Year after year we at CN do our best to promote a better understanding and knowledge about the risks of being near railroad tracks. Every year more than 2,100 North Americans are killed or seriously injured because of unsafe behaviour around tracks and trains – every one of these incidents and deaths are preventable.

We would ask that you and council consider adopting the attached draft proclamation and that if you do choose to do so that you please send a copy of that proclamation via email to marie-pier.triganne@cn.ca.

Thank you for your time and consideration.

Regards,

Tyler
