Dear Deputy Corporate Officer,

I am writing to you today to express my support for the 2024 Financial Plan released by the City of Langley.

As a resident of Langley City for eleven years, I have noticed an increase in population, which in turn results in an increase in crime and homelessness.

I am very pleased to see a focus on public safety with the increase of police officers and a new detachment, as well as a much needed increase in firefighters.

Although an increase in taxes is not something I am pleased about, at least I know that the money is going towards improving the safety of my family, neighbours & community in general. We will sleep better knowing that if something were to happen, the heroes that fight fires and fight crime will be there.

Sincerely,

Kari van Houten
