

# SKATE UNDERCOVER

*by Dave Jonsson*

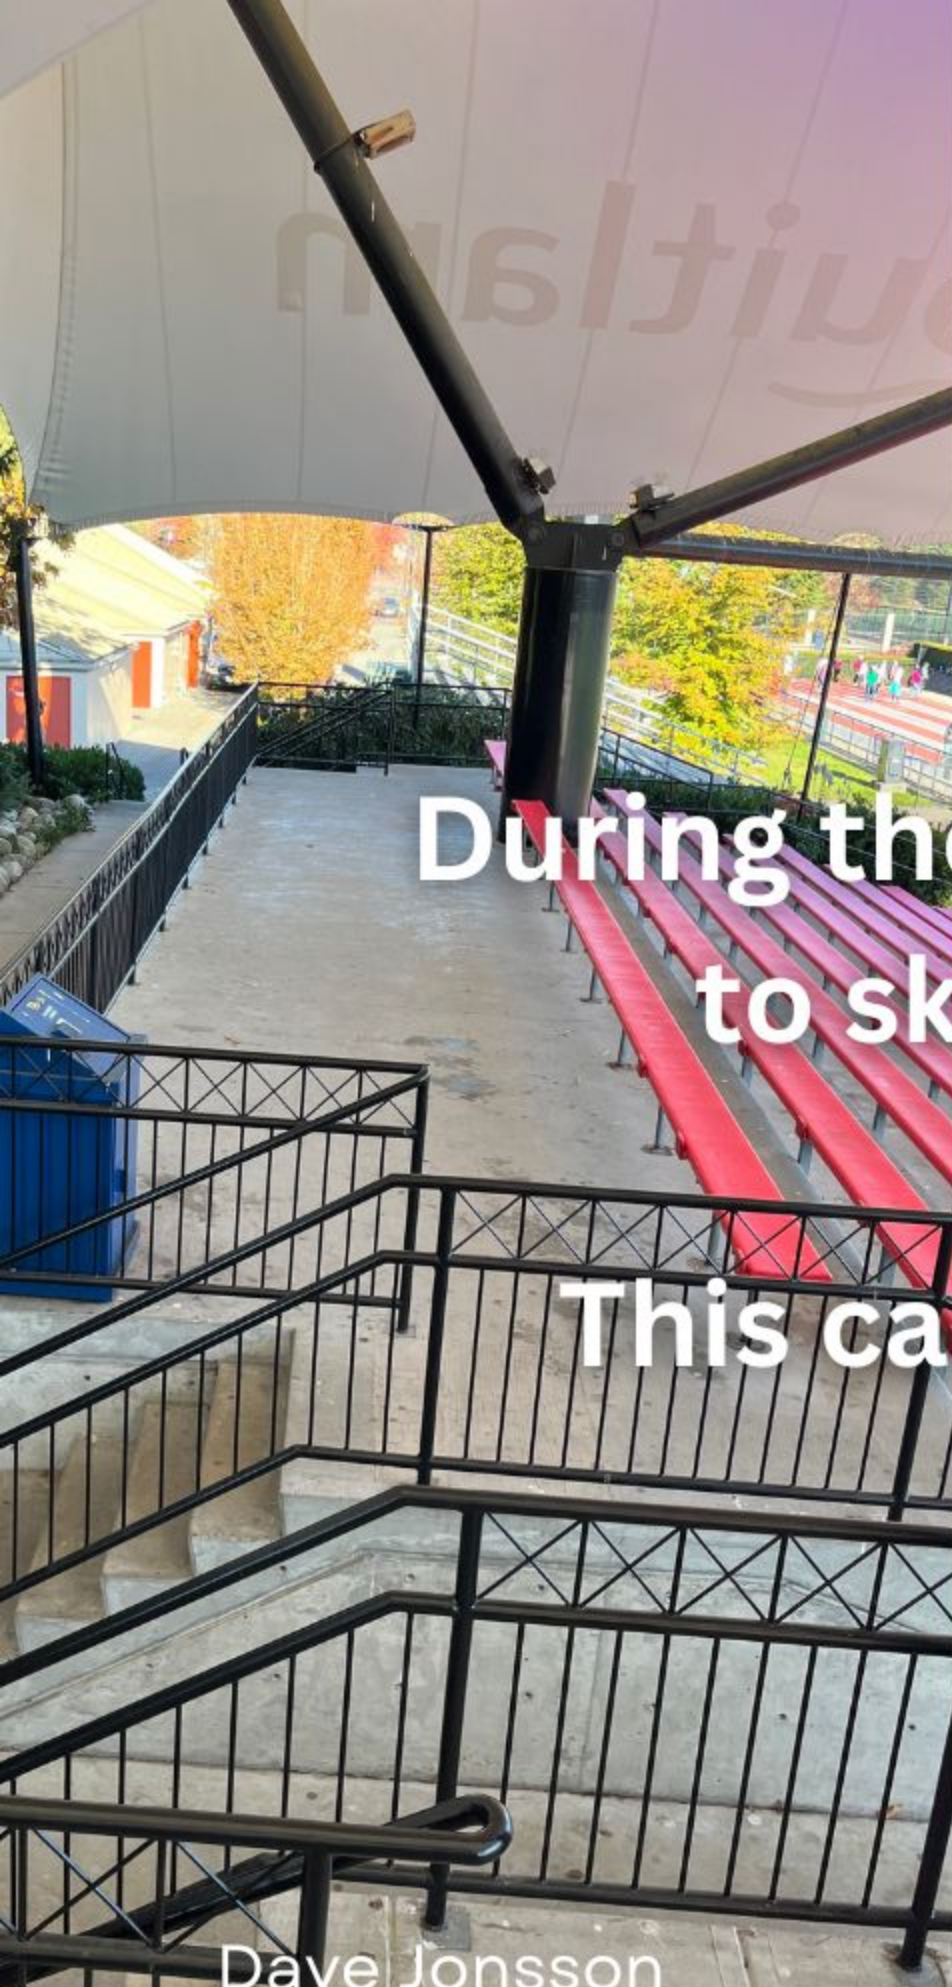

WHO ARE WE?

**@skateundercover is a movement dedicated to creating covered skateparks and maintaining existing ones!**

# WHY DO WE EXIST?

Langley gets around 170 days of rain a year.  
When it rains, youth don't currently have many places  
to go that are safe and dry.

---

Dave Jonsson

WHAT'S THE PROBLEM?

During the winter season skateboarders are reduced to skateboarding in parking garages and at unsanctioned covered areas. This causes damage to property and a possible danger to them and others.

@SKATEUNDERCOVER

**WHAT SHOULD WE DO?**

**The solution is twofold:  
We must maintain what we have,  
and then build for the future.**

**We are asking that the City of Langley  
build a covered skatepark.**
