Discover Downtown Langley

August 8, 2024

To whom it may concern,

I am pleased to write a letter in support of Venechuk Farms and the Agri-Kids Program's work in the community and British Columbia at large. Venechuk Farms and the Agri-Kids Program are dedicated to serving the needs of their local community, community groups, children and youth in the community, minorities and vulnerable populations.

I have seen first-hand the great work that Venechuk Farms has done in our community, and last year we were very pleased to be a sponsor of their Agri-Kids Program.

The City and Township of Langley at times faces obstacles in sourcing quality and a variety of fresh produce for our families. The purpose of the Agri-Kids program that Venechuk Farms offers is to educate children on local and sustainable farming practices. It also helps families interact with a variety of foods that they may not otherwise have access to and helps foster an environment for families to get into the kitchen together and create long lasting memories.

Venechuk Farms also offers reassurance to local community groups with the donations they make to assist throughout our community.

Thank you for your consideration and please don't hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Teri James'.

Teri James, Executive Director
Downtown Langley Business Association
