RECOMMENDATION:

THAT Council approve the Socio-Cultural Economic Development Advisory Committee 2025 Annual Work Plan.

SUMMARY:

The Socio-Cultural and Economic Development Advisory Committee (SCEDAC) will contribute, support and advise on a number of key initiatives from Council's Strategic Plan including key initiatives that will advance social, cultural and economic development, collaborative partnerships, prosperity and most importantly improve quality of life for the residents of our Langley City; and community asset development that will focus work with current community assets to draw attention to the needs and vision of community health, well-being, social equity and inclusion that will be an integral part of creating a vibrant and sustainable community and economy.

The Terms of Reference for the SCEDAC requires the Committee to develop a work plan to be approved by Council that aligns with the goals of the City's strategic plan and the mandate of the committee. To that end, some of the action items under the 2025 Work Plan include:

- FoodTech subcommittee to explore opportunities & challenges related to agtech, supply chain, market opportunities etc.
- Citizens' Assembly Activation-Community Safety, Well-being and Resiliency Policy transformation and community implementation mobilization
- KPI Dashboard-Proto-type completion and activation
- Participate in Indigenous Reconciliation and Relations activities and events
