MOTION

Grass Restoration and the Chafer Beetle – Councillor Mack

WHEREAS city grass across the community have been decimated by hungry raccoons and crows, on the hunt for juicy chafer beetle grubs; and

WHEREAS several residents have expressed concerns to me over the extended period of time that grass has been in disarray; and

WHEREAS there are ways to mitigate the impacts of the chafer beetle;

THEREFORE BE IT RESOLVED that Council direct staff to provide council with a report outlining strategies to eradicate chafer beetle grubs from city grass; and

THAT Council direct staff to report back to Council regarding the required capital (if needed) to repair the damaged city grass, as well as a timeline to restore it to its prior state; and

THAT Council direct staff to present this information in a Regular Meeting of Council, prior to the Regular Meeting of Council where 1st and 2nd Readings of the 2026 Financial Plan will be considered.
