Dear Minister Boyle,

On behalf of Langley City Council, I would like to thank you once again for taking the time to meet with us during the recent UBCM convention. It was a pleasure connecting with you.

During our conversation, we appreciated your interest in collaborating with Langley City on the HEART and HEARTH program. Your enthusiasm for fostering inclusive and compassionate communities aligns closely with our values and aspirations.

We are eager to explore the next tangible steps toward establishing Langley City as a HEART and HEARTH community. To move this forward, we would like to schedule an in-person meeting with you at your earliest convenience. This would be an opportunity to discuss how we might proceed with a Memorandum of Understanding (MOU), and what role Langley City Council and staff can play in supporting and advancing this initiative. Please let us know a date and time that works best for you.

We look forward to working together to bring this meaningful program to life in our community.

Yours truly,  
CITY OF LANGLEY
