GET READY FOR FDIC INTERNATIONAL 2026

25TH ANNIVERSARY OF 9/11

FDIC is commemorating the 25th anniversary of 9/11 this year with special remembrance events, personal testimonials, and tributes throughout the week. The program will also feature post-9/11 organizations and progress, the Tunnels to Towers 9/11 NEVER FORGET Mobile Exhibit, and the annual 9/11 Memorial Stair Climb in collaboration with NFFF. Come together with us as we honor those we have lost and remember the community's enduring strength.

OPENING CEREMONY

WEDNESDAY, APRIL 22, 2026

KEYNOTE: Frank Siller | Chairman and CEO, Tunnel to Towers Foundation

TOM BRENNAN LIFETIME ACHIEVEMENT AWARD RECIPIENT:

The Late Lieutenant Andrew A. Fredericks | Fire Department of New York

CHECK OUT OUR NEW EMS LINEUP FOR FDIC 2026!

Sharpen your skills, rack up continuing education hours, and take your expertise to the next level with our reimagined EMS offerings—all week long. Dive into content curated by **Mike Brown**, Captain at Fort Wayne Fire Department and Development Editor for *JEMS*, and train with and learn from the most respected instructors in the industry. From becoming a resuscitation pro to mastering ventilation during cardiac arrest, you'll get hands-on experience through immersive workshops and classroom sessions. Looking to connect with EMS leaders? Need credit hours for recertification? We've got you covered. This is your chance to learn, network, and lead.

EMS INNOVATION SUMMIT MONDAY-TUESDAY, APRIL 20-21, 2026

The EMS Innovation Summit is the definitive leadership forum for EMS executives and decision-makers. This reimagined event convenes EMS leaders for a day and a half of candid discussion, practical problem-solving, and future-focused collaboration. Focused on real-world solutions and leadership excellence, **the EMS Innovation Summit is where EMS leaders come together to drive innovation**—and shape the systems of tomorrow.

***CADAVER LABS** WEDNESDAY, APRIL 22, 2026

SPONSORED BY: **Teleflex®**

A unique opportunity to review relevant anatomy associated with critical care and lifesaving emergency procedures. Participants will enhance their understanding of the various procedures and the associated risks and benefits through the hands-on practicum.

The Cadaver Labs are open to the following EMS certifications: Paramedic, Critical Care Paramedic, Advanced Practice Paramedic, and AEMT.

JEMS LOUNGE

Join us for special networking events in the JEMS Lounge during the week where EMS attendees can link up, and conversations turn into meaningful connections.

EMS CREDIT HOURS

Get access to over 230 hours of CAPCE-accredited continuing education through hands-on training, dynamic workshops, and engaging classroom sessions.

THE SIM YARD THURSDAY-SATURDAY, APRIL 23-25, 2026

NEW FOR 2026, the Sim Yard is a dedicated EMS simulation and innovation zone in Lucas Oil Stadium bringing prehospital medicine to life through immersive, scenario-based training led by top educators, industry partners, and simulation experts. This is where education meets adrenaline—where **EMS professionals can practice, perform, and progress** in the same arena that hosts champions.

MORE TRAINING THAN EVER BEFORE

HANDS-ON TRAINING SESSIONS ALL WEEK LONG

FDIC 2026 is bringing more heat and more action – we've added more Hands-On Training (H.O.T.) sessions Monday through Friday, including MORE Live Fire classes, so you can sharpen the skills that matter most all week long!

MID-RISE/HIGH-RISE SYMPOSIUM

MONDAY-TUESDAY, APRIL 20-21, 2026

NEW FOR 2026, the Mid-Rise/High-Rise Symposium addresses the critical risk of building failure during fire conditions and brings together top experts to share strategies, tactics, and lessons learned from incidents in complex buildings—ranging from skyscrapers to “groundscrapers.” The symposium features four workshops, each four hours long, with various topics in each session, offered as part of FDIC’s pre-conference lineup on Monday and Tuesday. Attendees can register for the full series or individual sessions. [View the Symposium schedule on page 107.](#)

HIGH INTENSITY TRAINING SESSIONS (HITS)

APRIL 22-24, 2026

NEW FOR 2026! Get ready for four adrenaline-charged sessions designed to push your limits and stay sharp on and off the job. Each four-hour HITS session delivers ten rapid-fire, 20-minute presentations packed with actionable insights and high-impact takeaways. Led by FDIC’s top instructors, veteran firefighters, researchers and wellness experts, these sessions deliver the perfect mix of tactics, leadership, culture, fitness, nutrition, mental-health insights, and little comedy to keep the energy high. Speakers will include: **Sam Hittle, Bobby Eckert, Justin McWilliams, Corley Moore, Todd Edwards, Frank Viscuso, Sara Jahnke, Megan Lutz, Dena Ali, Mike Ciampo, Sean Duffy, Candace Ashby, Nick Papa, Mo Davis, Eric Wheaton, Bassel Ibrahim, Seth Major, Annette Zapp, Ric Jorge, Keith Stakes, Kyle Romagus, Dan Shaw, Mark VonAppen,** and **Micky Ferrell.** [View the HITS schedule on page 115.](#)

CURSOS EN ESPAÑOL

FDIC will be offering two courses in Spanish for Spanish-speaking attendees to master critical fire and rescue strategies that they can bring back to their departments and share with their teams.

4-hour Pre-Conference Workshop **WEDNESDAY, APRIL 22, 1:30 PM – 5:30 PM**

Operaciones básicas de motobombas y camiones-escalas/Basic Engine and Truck Operations | **Jose Troncoso**, Regional Fire & Rescue (AZ) and **Daniel Sheridan**, Fire Department of New York

8-hour Hands-on (H.O.T.) Training Evolution **THURSDAY, APRIL 23, 8:00 AM – 5:00 PM**

Operaciones Básicas de Motobombas y Escalas - Práctica Operativa | **Daniel Sheridan**, Fire Department of New York

TRAINING FOR ALL

APRIL 22-25, 2026

Whether you're a seasoned responder or just starting your journey, **all badge holders are invited to dive into expert-led sessions, hands-on education, and cutting-edge techniques** designed to elevate your skills and strengthen your impact.

PARTNER SESSIONS **WEDNESDAY-THURSDAY, APRIL 22-23, 2026**

Discover industry insights by partners shaping and leading the future of the fire service. [View the Partner Sessions schedule on page 111.](#)

MORE TRAINING IN THE DRILL YARD **THURSDAY-SATURDAY, APRIL 23-25, 2026**

The Drill Yard is FDIC’s premier training ground, dedicated to hands-on tactical instruction for first responders. Designed to replicate real-world challenges, this space offers immersive simulations in vehicle stabilization, extrication, bailout, forcible entry, and more – building the essential skills needed to perform under pressure.

THE SUMMITS AT FDIC

The FDIC Summits are exclusive events that offer a unique opportunity for peer-to-peer knowledge exchange and collaboration, bringing together fire and rescue industry professionals to explore key topics across specific sectors and groups.

Featuring a mix of expert speakers, peer-to-peer sharing, and dynamic discussions, each summit provides valuable insights and practical strategies that attendees can apply to their department or organization. Join us to connect with leading minds, share experiences and drive innovation in the fire and emergency services community.

METRO OFFICERS SUMMIT

APRIL 20-21, 2026

An exclusive, invitation-only event designed for senior leaders in Metro fire and rescue departments (300+), the Summit sparks meaningful peer-to-peer exchange around innovations, leadership strategies, and operational excellence.

EMS INNOVATION SUMMIT

APRIL 20-21, 2026

Focused on real-world solutions and leadership excellence, the Summit is where EMS leaders come together to drive innovation—and shape the systems of tomorrow.

INDUSTRIAL FIRE SUMMIT

APRIL 21, 2026

Bringing together firefighter leaders across different industries to address critical challenges, policies, leadership training, mutual aid, and best practices in industrial fire safety.

NEXTGEN TECH SUMMIT

APRIL 21-22, 2026

Provides leaders with a platform to optimize the benefits of existing tools while exploring new technologies. With live demonstrations and practical discussions, attendees will leave with clear strategies and actionable steps for moving from interest to real-world application in their agency.

OFFICERS CLUB SUMMIT

APRIL 23-24, 2026

FDIC International will bring together senior officers and leaders from fire departments and EMS agencies (including international) with 125 or more career personnel. This premier networking space enables the group to connect with peers and engage in meaningful discussions between their exhibit hall visits.

REGISTRATION IS REQUIRED – plus, FDIC Conference pass holders receive a discount on Summit registration!

Metro Fire Officers & Officers Club are the exception, and are invitation-only.

TO LEARN MORE ABOUT THE STADIUM!

APRIL 23-25, 2026 | LUCAS OIL STADIUM

This immersive experience in Lucas Oil is at the core of FDIC's critical mission 'to train' fire and EMS professionals worldwide. The experience is broken out into activations, carefully designed to deconstruct live-action scenarios to enhance firefighter and EMS professionals' skills and prepare them for the future. From cutting-edge equipment to state-of-the-art devices, attendees will have access to the best resources at their fingertips.

DRILL YARD: FDIC's premier training ground, dedicated to hands-on tactical instruction for first responders. Designed to replicate real-world challenges, this space offers immersive simulations in vehicle stabilization, extrication, bailout, forcible entry, and more—building the essential skills needed to perform under pressure.

HEALTH & WELLNESS: This area is dedicated to supporting the physical and mental well-being of first responders. Through expert-led discussions, educational activations, and complimentary cancer screenings, attendees can gain critical insights into mental health, cancer prevention, nutrition, and other key aspects of first responder wellness.

***NEW* THE SIM YARD:** From airway management to incident command, The Sim Yard showcases the full spectrum of EMS response in a dynamic, hands-on environment. This is where education meets adrenaline—where EMS professionals can practice, perform, and progress in the same arena that hosts champions.

CENTRAL PARK sponsored by FirstNet, Built with AT&T: This space offers a relaxed, social environment where attendees can connect and recharge. Featuring casual games, therapy dogs, and tasty concessions, it's the perfect space to unwind, network, and enjoy a break from the day's activities.

REMEMBRANCE SQUARE sponsored by Verizon Frontline: A dedicated space to honor and reflect on 9/11, featuring the Tunnel to Towers Mobile Exhibit, interactive timelines, and powerful conversations at the news desk. Visitors can leave messages of remembrance and connect in this meaningful area with seating and concessions.

IGNITE: an exhibiting destination for start-ups or small businesses
