

CITY OF LANGLEY

MOTION

Commercial Kennel Disclosure – Councillor Mack

WHEREAS it is a core municipal responsibility to ensure the provision of transparent and adequate animal control and sheltering services, and the City of Langley has entered into a service agreement with the Langley Animal Protection Society (LAPS) for both services;

AND WHEREAS this service agreement reflects a significant operational shift, transitioning from shelter at the Patti Dale Animal Shelter to a model utilizing foster homes and Commercial Kennels;

AND WHEREAS LAPS has withheld fundamental operational details regarding this transition, including the name and location of Commercial Kennels selected for animal sheltering;

AND WHEREAS the previous shelter operated with full transparency, and no compelling justification has been provided for the lack of disclosure regarding subcontracted facilities;

AND WHEREAS council remains accountable to the public for the expenditure of municipal funds and the welfare of animals under City care, and this lack of transparency prevents Council from fulfilling its oversight obligations

THEREFORE BE IT RESOLVED THAT Council direct LAPS to disclose the names and locations for all commercial kennels that will be used to host City of Langley animals.
