

CITY OF LANGLEY

"The Place to Be!"

2017 – 2021 Financial Plan

Fiscal Period January 1, 2017 to
December 31, 2021

Bylaw 3011

(DRAFT)

Budget Message

January 11, 2017

Message from the Director of Corporate Services

Mayor and City Council
City of Langley

2017-2021 Financial Plan Summary

In 2017, our five year financial plan includes \$44.4 million in operating expenditures and a further \$21.8 million in capital expenditures. Approximately 74% of the operating expenditures are funded through property taxes and utility charges billed at the end of May each year.

Based on the results of the recently completed Community Survey and from feedback received at the neighbourhood meetings, a number of priority areas were identified and include: public safety; homelessness; the maintenance of parks, boulevards and trails; infrastructure renewal and recreational opportunities. City Council has heard from taxpayers, and this financial plan was developed to address these priority areas.

The total net increase in expenditures is \$883,595 which would require a 3.61% taxation increase to balance the budget.

One of our biggest priorities for 2017 is to address some concerns surrounding homelessness and public safety. The City has included in the budget a provision for additional bylaw enforcement and a Community Liaison position to work with social service agencies and oversee the implementation of the Homelessness Strategic Plan and Community Crime Prevention Strategic Plan. The RCMP costs represent the largest departmental expenditure in the budget, and the proposed policing increase will lower the vacancy rate at the detachment, resulting in more of the RCMP members being deployed in the City. The City will also address public safety by enhancing the emergency radio system with the Langley City Fire Service joining the multi-jurisdictional E-Comm network.

Improving parks, boulevards and trails will be a greater priority in 2017. The Financial Plan will include floodplain pedestrian bridge upgrades, a number of park facility capital upgrades as well a Corridor Improvement Program will be implemented to enhance the maintenance of walkways, boulevards, sidewalks, and medians.

Recreational opportunities improve with the addition of more staff to serve and maintain the City's newest asset the Timms Community Centre. Additionally, a full year of funding has been added to increase our Building Department staff by one Plan Checker / Building Inspector. These staffing additions will improve our service delivery to the public.

Although the total net increase in expenditures results in a 3.61% overall taxation increase, including utility rate increases and the infrastructure levy, the average single-family home assessed at \$728,339 will see their taxes increase by \$170 or 5.92% whereas the average multifamily home assessed at \$253,636 will see an increase in their taxes by \$39 or 3.20%. Although the assessment value of single-family homes increased an average of 10% more than multifamily homes, the same tax rate must be applied to both types of residential properties. This results in a higher tax increase for single family residential properties. Business class properties will see an average increase of 5.39% and Light Industrial properties a 5.34% increase. The ratio between residential and business properties has moved closer to 1:3, which is typical in Metro Vancouver.

The City is anticipating \$6.4 million in casino proceeds to be received in 2017, up \$400,000 from the previous year. This funding will be used to address infrastructure renewal for capital projects like bridge deck repairs on 200 Street, Douglas Crescent rehabilitation between 204 Street and 208 Street, and rehabilitation on 56th Avenue initially budgeted in 2016, however now reflecting the Canada Infrastructure grant received from senior levels of government.

In addition, the City will allocate \$168,000 towards community grants and a further \$168,000 to the Enterprise Fund to be used at Council's discretion for expenditures that are not otherwise anticipated during the year and budget cycle.

Using casino proceeds to fund larger capital projects avoids borrowing and paying principal and interest charges and has helped to keep the City's tax rates lower by 2.5% in 2017. Casino dollars are at work in our community!

The Financial Plan Bylaw is scheduled to be presented at the January 16th Council meeting with final adoption anticipated at the February 20th meeting. The City is enjoying a sound financial position, and as we move into 2017, the Financial Plan will ensure we continue this trend.

Darrin Leite, CPA, CA
Director of Corporate Services

2017 Council Goals and Strategic Plan

While City Council is currently undertaking a process to update the Strategic Plan, the Financial Plan includes a series of goals and action plans in each department that supports the current *Strategic Plan*. The Strategic Plan has seven key result areas as follows:

Key Result Areas

In this plan, we have seven areas that describe where we believe we most need to move forward and achieve better results. Making progress in these Key Result Areas will define our success over the next five years, and anchor our accountability to our individual and corporate citizens.

1. **Infrastructure:** continuous improvement and sustainability of our below ground, on the ground, and above ground infrastructure.
2. **Quality of Life in Our City:** services to people can be continuously improved in order to attract, retain, and serve citizens that will then champion our vision as “The Place to Be.”
3. **Communication:** communicating with our customers and partners, involving them in decisions which impact and interest them, and engaging them in public life.

4. **Revitalization:** of our downtown core, the visual impact of the public realm in our City, and enhance our sense of pride.
5. **Environment:** how we protect, preserve, restore, sustain, and enhance our environment
6. **Protective Services:** ensuring our citizens feel safe and property is secure
7. **Organizational Development:** investing in our organization, its people, its processes and financial sustainability

Developing the 2017-2021 Financial Plan is a component of the first key result area contributing to the long term planning of infrastructure renewal.

The Five Year Financial Plan

The five year financial plan presented in this document is a financial planning tool and not a multi-year budget. The primary focus of the Financial Plan is the current budget year under consideration (2017) with a new five year plan being created for each successive budget cycle.

The 2016 Actual column is reflecting the current year to date expenditures rather than an estimate of the amount anticipated after the end of the year which will be higher after all the December purchase invoices and year-end reconciliations have been reflected.

The revenue and expenditure forecasts of the out years (2018-2021) reflect estimated wage & benefit costs and RCMP contract increments. We have not attempted to include an estimate of inflation in the out years in this document.

Public Process

A Financial Plan presentation will be made at the Monday, January 16, 2017, Council meeting to introduce the budget to the public which will be recorded and streamed on the City’s website. The Financial Plan will be advertised for two consecutive weeks in summary form in the local newspaper (January 19 and January 26).

A Financial Plan public input and open house meeting will be held on Wednesday, February 1, from 6:00 pm – 7:30 pm in the City Hall Finance Department foyer for the public to learn more about the budget and ask questions in a more informal setting.

The open house will be followed by a Financial Plan presentation at the February 6, Committee of the Whole Council meeting where comments from the public will be invited.

Budget Highlights

General Operating Fund

The Consumer Price Index (CPI) % increase in Vancouver for the year ended October, 2016 was 2.5%. The CPI is

not representative of the costs incurred by municipal governments which are more heavily weighted to labour, materials and contracted services, whereas the CPI reflects a basket of goods, like food, shelter, clothing, furniture, etc. A municipal Price Index (MPI) developed in Edmonton forecasts the MPI in 2017 to be 2.6%.

The gap between total expenditures and total revenues in the general fund is \$883,595 and would require a tax revenue increase of 3.61%.

The budget contains non-discretionary service level and other increases outlined in the following table. This increase includes the new growth tax revenues of \$235,000 (0.96% of tax revenues).

Summary of the Larger Non-discretionary Changes Affecting the 2017 General Fund Budget	
Revenues:	
Revenue own sources - Tax penalties and interest	\$ 17,500
Revenue own sources - Grants in lieu (Utility Co)	\$ 18,190
2016 actual assessment changes from budget	(\$ 42,400)
2017 New tax growth increase	(\$ 235,000)
Fees & Charges - Application fees & Eng admin	(\$ 90,500)
Fees & Charges - Business Lic., Misc permits, Dogs	(\$ 31,055)
Fees & Charges - Building permits	(\$ 69,400)
Fees & Charges - Parking fines & Parking rentals	(\$ 13,000)
Fees & Charges - Tax info, Vehicle plates, Garbage	(\$ 11,310)
Revenue own Sources - Property rentals	(\$ 20,815)
Revenue own sources - Casino proceeds	(\$ 400,000)
Revenue own sources - Hotel tax	(\$ 45,000)
Revenue own sources - Other	(\$ 16,140)
Expenditures:	
Election expense	(\$ 45,000)
Interfund utility allocation	(\$ 429,230)
Council remuneration	\$ 5,000

Summary of the Larger Non-discretionary Changes Affecting the 2017 General Fund Budget	
Bylaw enforcement	\$ 79,800
Corporate Services reconfiguration	\$ 57,000
Insurance premiums	\$ 8,050
Corporate communication and advertising	\$ 16,000
Software support, IT consultation, and Supplies	\$ 37,320
Employee wages and benefits	\$ 118,245
Fire wage and benefits	\$ 186,275
Electrical, Gas and Utilities	\$ 30,775
RCMP detachment operations - Municipal staff	\$ 58,540
RCMP contract	\$ 631,330
CPO, LYFS, & Emergency contract, Victim witness	\$ 2,540
Community Liaison Coordinator	\$ 10,000
ECOMM radio system	\$ 86,570
Fire vehicle maintenance, Dispatch	\$ 32,580
Engineering clerical support	\$ 20,000
Corridor Improvement Program	\$ 90,000
Plan Checker / Building Inspection	\$ 40,835
Tourism Langley (Hotel tax)	\$ 45,000
Timms Centre Staffing	\$ 124,550
Library levy & Building maintenance	\$ 44,460
Recreation Special Events/Downtown Summer Series	\$ 63,650
Park maintenance for new facilities	\$ 20,200
Various supplies and contracted services	\$ 10,765
Tsfr from Surplus (Election expense)	\$ 45,000
Tsfr to Casino Proceeds Reserve	\$ 400,000
Tsfr to /from reserves	(\$ 90,230)
Infrastructure levy	\$ 122,500
Net 2017 budget expenditure increase	\$ 883,595

Each year departments scrutinize their operating budgets in an effort to make substantive reductions to help mitigate a taxation increase. Over the last six years, over \$1.1 million in savings have been implemented, reducing taxes by 5%. However, these reductions have operational

impacts due to reductions in training, supplies and contracted services.

Revenue Decreases:

The property tax penalties and interest have reduced \$17,500 due to the large number of property sale transactions and low cost of borrowing for home owners.

Grants in lieu are received from the utility companies like Telus, BC Hydro, Shaw Cable and Fortis. The grants are a substitute for the property taxes that would otherwise be payable on the land that the utility companies run their services through. The grants are based on 1% of the revenues generated by each of the companies in the City of Langley in the previous year. The grants in lieu decreased by \$18,190 due to lower revenue from high competition in the marketplace.

Revenue Increases:

The total new taxation growth from new construction is estimated at \$235,000 which was supplemented by an additional \$42,400 of taxation income due to rejected assessment appeals.

Engineering administration and application fees are increasing \$90,500 to reflect historical trends.

Building permit fees are collected from developers and are contingent on market conditions prompting developers to begin new construction, an anticipated increase of \$69,400 is reflected. Business license fees are increasing 2% generating an additional \$11,640. Other permit and fees reflecting filming permits contribute an

additional \$20,000. Dog fees are reducing slightly by \$585.

Parking fine revenues and parking rentals are increasing \$13,000 particularly relating to parking rentals for movie sets.

Providing taxation information during property sales transactions, generated an additional \$8,000 based on historical trends. Garbage fees are increasing slightly by \$2,560 reflecting additional homes being constructed in the community. Sale of municipal commercial vehicle decals will add an additional \$750.

Property rental income has been increased by \$20,815 to reflect the new rental income from a building purchased by the City.

Casino proceeds are increasing by \$400,000 based on the prior year's experience. The same amount is transferred to reserve to fund future capital expenditures.

Hotel tax revenues are collected and remitted to Tourism Langley to fund tourism promotion in the community. The revenues are increasing \$45,000 reflecting historical trends.

There are a number of other small revenue increases that combined add another \$16,140.

Expenditures:

The election expenses incurred in the 2016 by-election are not required in 2017, and the \$45,000 cost has been

removed from the budget as well as the offsetting transfer from the prior year's surplus.

Each year the City allocates expenditures charged to the General fund on a proportional basis to the Water and Sewer funds. In 2017, the allocation has been changed to be based on 30% of the General Government Services expenditures. This increased the allocation by \$482,850 to a total of \$1,105,300.

Council remuneration increases are based on adopted Council policy. The Mayor's remuneration is 85% of the 2016 median Metro Vancouver mayors' salaries. Council remuneration is set at 40% of the Mayor's remuneration.

Additional Bylaw Enforcement resources will be added to enhance the level of service for parking enforcement and dog off leash issues that arise during the evening hours and augment the significant number of hours that are required to address homelessness issues.

The City reconfigured the Corporate Services department in the spring of 2016. An additional position was created which required a \$57,000 increase.

The MIA (Municipal Insurance Association) levy will decrease in 2017 by \$4,625 due to positive changes in the experience rating of the City. However, the property insurance is increasing \$12,675 reflecting the addition of the Timms Community Centre.

The City endeavors to actively engage our public. Efforts to increase marketing, expanded use of social use and

extensive promotion of our neighborhood meetings require an increase of \$16,000.

Software support and IT services need to be increased in order to maintain the current city enterprise systems and pay annual maintenance fees for newly implemented software.

A provision has been included for the CUPE, management staff and Protective Services contract negotiations. In addition, some employees will move to the next steps of their pay grade.

The cost of electricity, natural gas and water will all experience rate increases, causing an increase of \$30,775 throughout the organization.

The cost for centralized support services, billed by the Township of Langley for municipal employees at the RCMP detachment, is increasing \$58,540 to reflect wage increases.

The RCMP incremental costs also reflect a 2.50% increase in wage and pension costs and movement through pay grades. The recruiting costs, cadet training depot costs and police dog service training centre costs are now billed to the municipalities on a cost recovery basis rather than a fixed cost per member. The vacancy rate has been lowered at the detachment resulting in more of the City's 51.35 contracted RCMP members being deployed in the City. The City shares 179 RCMP members with the Township of Langley and the experience thus far in 2016 is that there are 173.45 members in active duty resulting

in a vacancy of only 5.5 members combined. Therefore, the City has lowered our historical vacancy rate from 6 members to 3.3 members in 2017.

There are small cost changes in the Community Police Office, LYFS contract costs, the Emergency Program costs and victim services totaling \$2,540.

The City will be addressing the concerns surrounding homelessness and public safety by creating a part-time, contract Community Liaison Coordinator position to work with social service agencies, the RCMP and the business community to address critical social issues in the City. The position will oversee the implementation of the Homelessness Strategic Plan and the Community Crime Prevention Strategic Plan.

The City will be implementing the E-Comm radio system in 2017 to improve public safety. This service will cost \$86,570 and includes both hardware costs, maintenance and annual operations.

Maintenance requirements of our fire truck fleet and associated equipment has seen an increase of \$28,000. The budget also reflects an inflationary increase in dispatch fees of \$4,580.

The Engineering and Development Services Departments have requested \$20,000 in additional clerical support to address customer service demands during peak periods of the year. These hours will be partially allocated towards administering the filming permit process.

The City is enhancing a Corridor Improvement Program to improve the maintenance of walkways, boulevards, sidewalks and medians. The additional cost of the program is \$90,000.

The Development Services Department hired a Plan Checker/Building Inspector position in 2016 to enhance the services provided by the department. The position was only funded for half the year in 2016, so the total cost of the position must be funded for 2017.

Timms Community Centre is approaching a full year of operations. Additional staff positions have been added to allow for expanded hours of operation and to maintain the new larger facility to improve recreational opportunities and maintain the City's newest asset.

The FVRL levy is increasing \$44,460 covering wages and benefit cost increases and an increase in material costs.

The City is partnering with the Downtown Langley Business Association to host the McBurney Plaza Summer Series. As well, a number of neighbourhood special events are planned for 2017.

An increase of \$20,200 has been included in the Park's budget to maintain new facilities such as the Penzer Bike Skills Park and Douglas Park outdoor fitness and games areas, as well as increased sports field maintenance.

A small increase of \$1,380 was made to the transfer to the MRN reserve. The transfer from the Future Police Cost Reserve has been increased by \$25,200 to offset the anticipated retroactive salary adjustments. A transfer

from the casino proceeds reserve of \$63,650 to fund the recreation special events has been included. The \$400,000 extra casino proceeds is also transferred to the reserve for future capital improvement funding.

Water Operating Fund

The water rate structure will stay at \$1.16 per cubic meter, with a \$25 increase to the flat rate making it \$75 per dwelling unit. The increase for the average single-family residential customer using 330 cubic meters of water will be \$25 in 2017.

The cost of water purchased from Greater Vancouver Water District (GVWD) is increasing 1.0%. The water purchase cost of \$2.62 million makes up 68.4% of the expenditures in the water fund.

The GVWD has indicated that there will be increases in water costs over the next few years to allow for improved water filtration and infrastructure replacement.

Sewer and Drainage Operating Fund

The sewer rate structure will increase \$0.06 per cubic meter bringing the total to \$1.04 per cubic meter (80% of water consumption) with a \$25 increase in the flat rate making it \$75 per dwelling unit. The increase for the average single-family residential customer using 330 cubic meters of water, used to determine the sewer charge, will be \$40.84 in 2017.

A portion of the increase (\$0.03 per CM) is being allocated to increase the transfer to the sewer and drainage reserve. The current reserve contributions are not adequate to fund the capital requirements anticipated in the Capital Improvement Plan. The balance of the increase is to fund the sewer treatment levy cost of \$1.89 million which makes up 61.5% of the expenditures in the sewer fund.

Tax Rate Effect

Although the total net increase in expenditures results in a 3.61% overall taxation increase, including utility rate increases and the infrastructure levy, the average single-family home assessed at \$728,339 will see their taxes increase by \$170 or 5.92% whereas the average multifamily home assessed at \$253,636 will see an increase in their taxes by \$39 or an increase of 3.20%. The same tax rate must be applied to both types of residential properties. The different percentage increase is due to the assessed value of single-family homes, increasing on average 10% more than multifamily homes. Business class properties will see an average increase of 5.39% and a 5.34% increase for Light Industrial properties. The ratio between residential and business properties has moved closer to 1:3 which is the typical ratio in Metro Vancouver.

Where Do the Taxes Go?

For the average single-family home, the annual property tax including utilities of \$3,051 on a monthly basis is as follows:

Policing Service	\$ 63.02
Water	\$ 36.07
Sewer & Drainage	\$ 25.73
Fire Rescue Service	\$ 24.09
General Government	\$ 21.30
Recreation	\$ 19.68
Engineering & Operations	\$ 17.36
Garbage Services	\$ 15.00
Infrastructure Funding	\$ 11.08
Parks	\$ 10.11
Development Services	\$ 6.22
Other Protective Services	\$ 4.61
Per month:	\$254.27

Capital Improvement Plan

The Financial Plan includes a 10 year Capital Improvement Plan (CIP). The proposed expenditures in 2017 total \$21,758,145. The City was awarded an infrastructure grant late in 2016 for the 56th Avenue road and utility project so this project was re-budgeted in the 2017 CIP to reflect the grant funding. The project totals \$3.9 million. Another large project for \$3 million relates to the road and utility improvements on Douglas Crescent between 204 St and 208 St. A further \$1.8 million is allocated to 200 St bridge deck replacement and water utility works south to 50 Ave. A number of drainage culverts are being rehabilitated with \$1.7 million allocated for this work. An emphasis has been

City of Langley

2017 Financial Plan

placed on the City's parks, with additional funding augmenting the 2016 capital budget approved for Penzer Park bringing the total to \$1.3 million dollars. The City has added a number of field enhancement projects throughout the 10 year plan, starting with \$700,000 being allocated for Rotary Centennial Park.

Capital projects are funded through money the City has placed in reserves, funds received from developers when new construction is undertaken in the City by way of Development Cost Charges (DCC's), grants and casino proceeds.

Each year the City allocates a portion of the money collected through property taxation into the reserves.

Capital Works Reserve	\$ 879,450
Fire Equipment Replacement	\$ 55,000
Machinery Replacement	\$ 250,000
Off Street Parking	\$ 11,600
Office Equipment	\$ 46,500
Parks & Recreation	\$ 177,500
Sewer Future Capital	\$ 485,000
Water Future Capital	\$ 570,000
	<hr/>
	\$ 2,475,050

The City recognized that our infrastructure is aging and will need to be replaced in established neighbourhoods. Additional funding dedicated to infrastructure renewal is being proposed at 0.5% which would generate \$122,500. At the recent neighbourhood meetings, there was support for this type of levy which would generate funds for the Capital Works Reserve. An average multifamily residential home would pay an extra

\$0.29 per month and an average single-family home would pay an extra \$0.83 per month to generate this levy.

The work being planned to accommodate the tangible capital asset requirements and resulting asset management benefits will highlight the infrastructure deficit faced by the City of Langley. We are not currently putting enough funding towards infrastructure renewal, to meet projected needs. It will take a concerted effort by City Council to balance between allocating adequate funding for infrastructure, that is primarily underground, and other infrastructure needs for the community.

Prior Year's Surplus

The City is required to prepare a balanced budget each year under provincial legislation. Each dollar expended has to be approved by City Council in the Financial Plan. At the end of the previous year, the actual financial numbers may result in revenues being higher than anticipated or expenditures lower than planned which is called a surplus.

It is proposed that any surplus generated in 2016 be allocated to the Capital Works Reserve to augment the capital works undertaken in future years.

Casino Proceeds

Another significant funding source for the Capital Improvement Plan is casino proceeds. It is estimated that the casino proceeds will be \$6.4 million in 2017. A total of \$6.83 million was received in 2016. We have been advised that a new gaming facility is being proposed for the City of Delta and we will have to determine if the new facility will have a negative impact on the City's casino proceeds.

The following table lists the projects proposed to be funded by casino proceeds.

Capital 2017 - Casino Proceeds Allocation

City Hall Landscaping	\$ 350,000
Road Rehabilitation	\$ 722,320
Pedestrian Facilities	\$ 250,000
Bicycle Facilities	\$ 200,000
Traffic Calming	\$ 400,000
Street Light Replacement	\$ 100,000
LED Lighting Fixtures	\$ 200,000
56 Ave, Glover to Bypass	\$ 708,190
Douglas Crescent 204 St to 208 St	\$ 877,500
200 St Bridge Deck replacement	\$1,233,000
Fraser Hwy Bypass - Landmark Way	\$ 193,675
Retaining Wall Rehabilitation	\$ 200,000
Fraser Hwy 204 St to 208 St Concept	\$ 200,000
Traffic Signal 62 Ave / 203 St Design	\$ 50,000
Trail System Upgrade	\$ 40,400
Penzer Park Youth Facilities	\$ 404,000
Rotary Centennial - Sports Field	\$ 353,500

Hunter Park	\$ 120,400
Brydon Sports Court Renovation	\$ 150,000
Floodplain Pedestrian Bridges	\$ 350,000
City Park Spray Park	\$ 150,000
Linwood Park Playground	\$ 75,750
48 Ave & 202 St Culvert	\$ 500,000
Langley Bypass Culverts	\$ 100,000
50 Ave & 201A St Culvert	\$ 300,000
Baldi Creek Culvert	\$ 300,000
Reline Storm under Railway	\$ 250,000
Eliminate Pipe Twinning	<u>\$ 200,000</u>
	\$9,178,735

By using casino proceeds rather than borrowing, the City is reducing operating debt servicing costs. Every \$1.00 borrowed requires \$0.60 to be paid in interest over the 20 year term of the borrowing, so if the City borrows \$1 million the total cost over 20 years is \$1.6 million which equates to a 0.28% tax revenue increase. Debt avoidance has reduced the taxes otherwise payable by 17% over the last ten years.

Important Issues Affecting Future Years' Budgets

New growth revenues are anticipated to remain low based on existing market conditions. New growth typically funds any inflationary increases in the City's budget. Wage settlements and ability to attract and retain staff, without any new service levels being considered, will continue to put pressure on the budget.

Local governments are increasingly feeling the effects of downloading by other levels of government. The City is struggling with its ability to address social issues like homelessness where individuals suffering from mental health and substance abuse concerns are evident.

Historically, social welfare has been a Provincial mandate, however; municipalities are now facing the effects of this growing problem.

Our contracted service partners like the RCMP, Fraser Valley Regional Library and Metro Vancouver have increases in their respective budgets which are beyond the City's control and can have significant effects on the City of Langley's Financial Plan.

The City of Langley's 2017 Financial Plan provides for a number of improvements which will enhance the community. By strengthening public safety, addressing some of the issues surrounding homelessness, improving parks and trails, focusing on infrastructure renewal and recreational opportunities, the City of Langley will reinforce its reputation as the Place to Be!

CONSOLIDATED FINANCIAL PLAN SUMMARY

	2015 Actual	2016 Budget	2016 YTD	2017 Budget	2018 Budget	2019 Budget	2020 Budget	2021 Budget
Consolidated Revenues								
Property Value Taxes	\$ 23,349,346	\$ 24,549,430	\$ 24,658,376	\$ 25,710,425	\$ 26,338,205	\$ 26,972,715	\$ 27,623,845	\$ 28,292,275

*****It is important to note that FTE's represent a full-time equivalent of a staff member. In many instances, particularly in Parks and Recreation which consists of many part-time or seasonal positions, this is not a accurate reflection of the actual number of employees.**

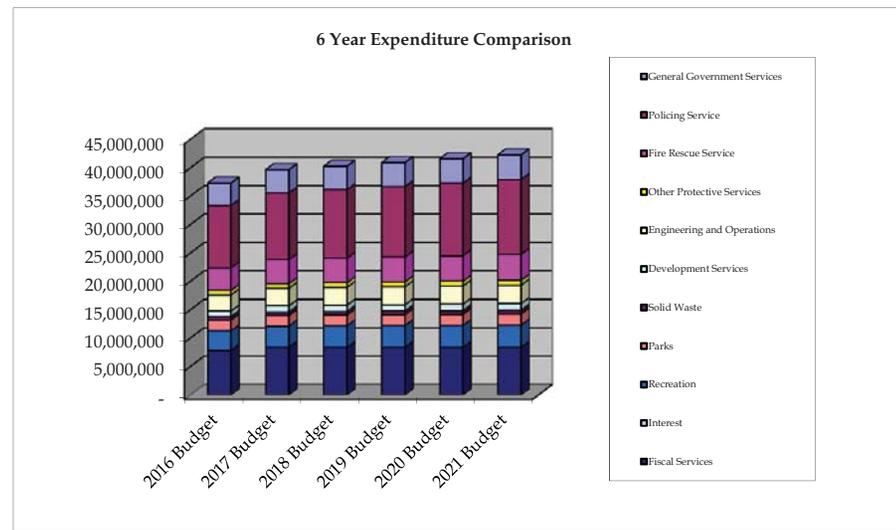

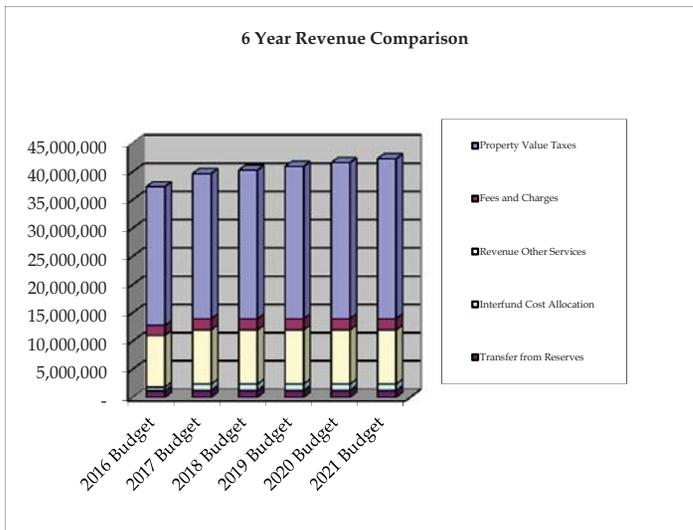

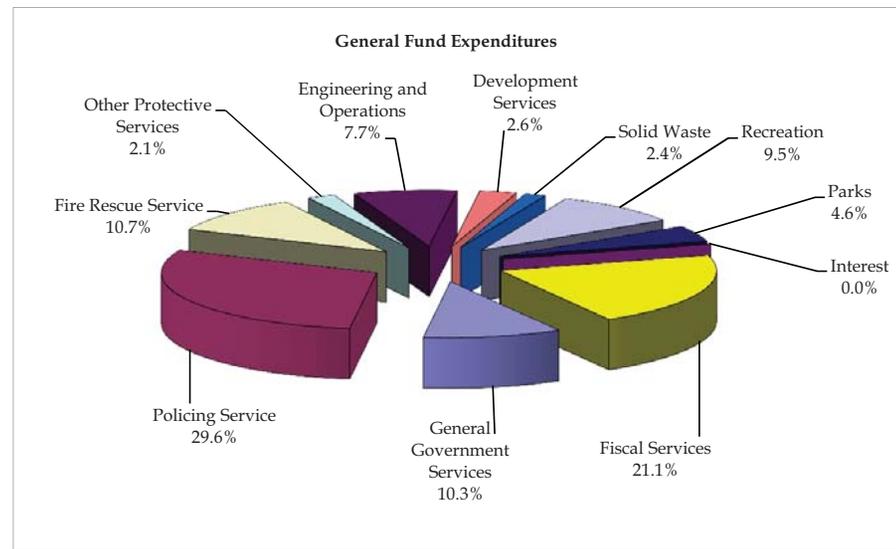

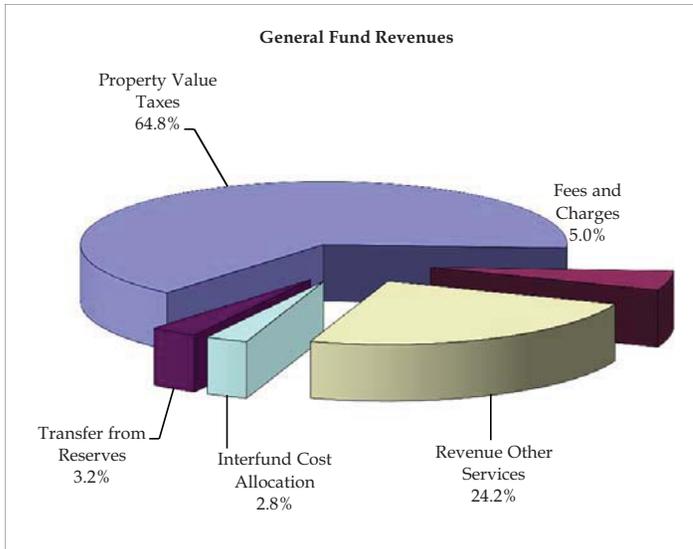

General Operating Fund

2017-2021

GENERAL OPERATING FUND

The General Operating Fund is the primary operating fund of the City. It is used to account for all of the financial resources and expenditures of the City of Langley, except Water Utility, Sewer & Drainage Utilities, and the 10-year Capital Improvement Plan. This section details the 2017-2021 Financial Plan, as well as showing comparative figures for 2015 Actual Results, 2016 Budget, and the 2016 Year to Date (YTD) expenditures. *(The 2016 YTD figures are highly dependent on when billings are received and processed and may not accurately reflect actual expenses to date.)*

Property Taxation

PROPERTY TAXATION

Property Taxation and Assessment

Property tax is the largest single General Fund revenue source in the City of Langley and will account for 56% of total revenues in 2017. The reliance on property taxes decreased over the last decade with the return of 100% of Traffic Fine Revenue and the introduction of gaming proceeds.

Property taxes are billed to each legal property in the City. The property tax bill is calculated by multiplying the current years tax rate by the assessment values of each property.

Property Tax Assessment Base

Property assessment in the Province of British Columbia is the function of the British Columbia Assessment Authority (BCAA). The BCAA’s purpose is to establish and maintain assessments that are uniform in the whole of the Province in accordance with the Assessment Act.

The Assessment Act requires that the BCAA produce an annual roll with assessments at actual value. Actual value is defined by statute as being synonymous with market value. A commonly accepted definition of market value is: “that price a property might reasonably be expected to bring if offered for sale by a willing vendor to a willing purchaser after adequate time and exposure to the market”.

In addition to determining market value, BCAA also decides upon the appropriate classification for each property.

The provincial Government has prescribed nine classes of property, as follows:

Class 1: Residential includes land or improvements, or both, used for residential purposes, including single-family residences, duplexes, multi-family residences, apartments, condominiums, manufactured homes and some vacant land.

Class 2: Utilities includes land or improvements, or both used for the purpose of providing utilities; E.G. Telus, BC Hydro.

Class 3: Supportive Housing - funded by the Province, a property which combines on-site support services with housing for persons who were previously homeless, at risk of homelessness, have mental or physical disabilities, or who are recovering drugs or alcohol addictions.

Class 4: Major Industry which is non applicable in the City of Langley.

Class 5: Light Industry includes properties used for extracting, processing and manufacturing, not falling within the Major Industry Class.

Class 6: Business and Other comprises all land and improvements not included in classes 1 to 5 and 7 to 9.

Class 7: Managed Forest Land which is non applicable in the City of Langley

PROPERTY TAXATION

Class 8: Recreational property/Non-profit Organizations includes land used solely as an outdoor recreational facility for a specific use or activity together with property used or set aside for use as a meeting hall by a non-profit fraternal organization.

Class 9: Farm includes only land classified as farm land in accordance with the prescribed standards.

The **2017** property classes and their respective assessment values for general municipal purposes are:

Class 1 Residential	\$4,322,522,603
Class 2 Utility	2,693,355
Class 3 Supportive Housing	2
Class 5 Light Industry	172,671,300
Class 6 Business Other	1,385,589,878
Class 8 Recreational/Non-profit	6,978,000
Class 9 Farm	<u>11,936</u>
Total	<u>\$5,890,467,074</u>

City Council has the ability to set a tax rate for each class of property.

The key dates in the assessment cycle are as follows:

July 1, 2016 - is the date at which the market value is determined for the 2017 Assessment Roll.

October 31, 2016 - Deadline date for municipal Council to adopt tax exemption bylaws for the 2017 Assessment Roll

October 31, 2016 - The 2017 Assessment Roll reflects the physical condition and permitted use of each property on this date

November 30, 2016 - Deadline for ownership changes to the 2017 Assessment Roll

December 31, 2016 - Deadline for Completed Roll totals, and mailing date for Assessment Notices.

January 31, 2017 - Deadline for requesting a formal assessment review.

March 31, 2017 - Deadline date for the Revised Roll

Assessment Growth

In the last decade, 1,170 new living units have been constructed in the City of Langley. The growth over the decade has been in multi-family type housing with 1,194 new units being constructed. This was offset by a reduction of single family units over the same time frame.

Fees & Charges

FEES & CHARGES DESCRIPTIONS

The revenue category of Fees and Charges was established by the Bill 88 revisions to the Local Government Act in 1999. The category includes all revenues that are imposed, by bylaw, in respect of all or part of a service the municipality provides or the exercise of regulatory authority.

ADMIN/INSPECTION FEES: These revenues are intended to compensate the City for administration and inspection costs that the City must expend as part of a land development project. The revenues are estimated by using a trend analysis approach then adjusted to reflect the level of construction and development anticipated in the community.

SOLID WASTE USER FEES: This revenue represents the total user fees levied on single family residences for bi-weekly door to door garbage collection service as well as weekly curbside organic waste disposal. The revenue is calculated by dividing the cost of the service by the number of residential units serviced.

LICENCES & PERMITS: The revenue generated from building and plumbing permits is levied to monitor construction projects within the City to ensure compliance with the BC Building Code and City Bylaws as and when required. The revenues are estimated by using a trend analysis approach then adjusted to reflect the level of construction and development anticipated in the community.

DOG LICENCE FEES: These fees are levied on the owners of dogs to partially offset the cost of providing dog control services. The revenues are projected based on the number of dogs licensed in the prior year.

PARKING VIOLATIONS: This revenue represents fines received from motorists who are parked illegally within the Downtown core of the City.

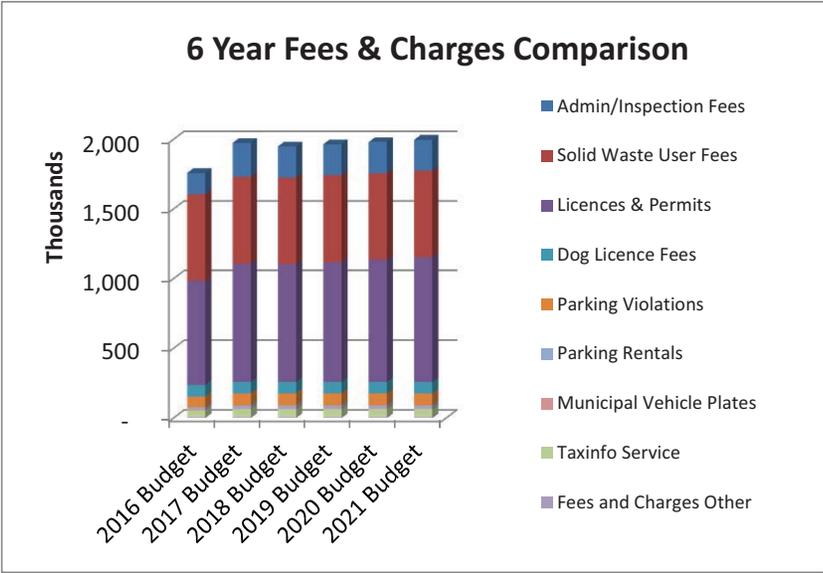

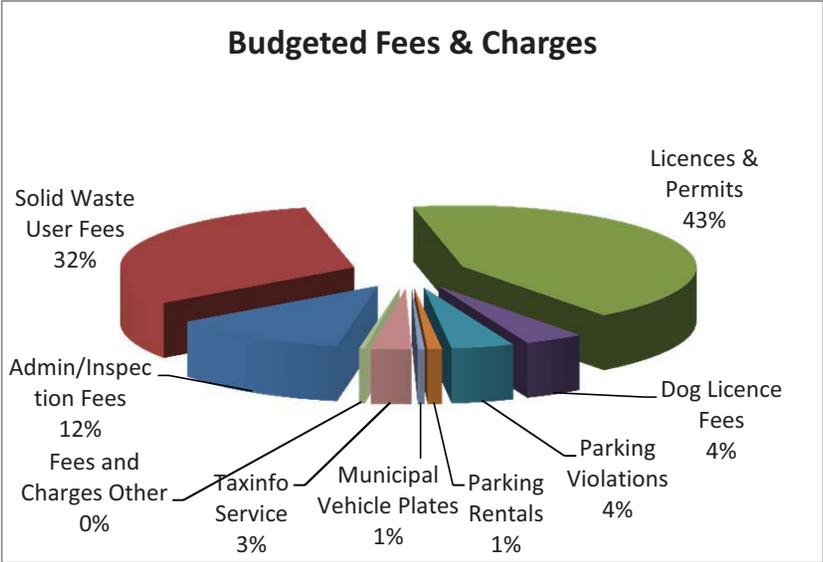

PARKING RENTALS: This revenue represents the monthly rental fees received for supplying reserved parking spaces in four lots within the City. Revenue is projected using the current occupancy rate in the lots.

FEES & CHARGES DESCRIPTIONS

MUNICIPAL VEHICLE PLATES: This revenue represents a commission paid to the City to issue commercial vehicle stickers on behalf of the Union of British Columbia Municipalities to administer the service province wide for the Provincial Government. The revenue estimate is based on the prior year’s revenues.

TAXINFO SERVICE: This revenue represents the fees received for providing legal offices and mortgage companies with information regarding outstanding taxes on properties. The revenue estimate is based on the prior year’s experience and adjusted for the current state of the real estate sales market.

FEES & CHARGES OTHER: This program includes budget allocations for revenue generated from banner installations and other miscellaneous fees.

Revenue Other Sources

REVENUE FROM OTHER SOURCES DESCRIPTIONS

The revenue category of Revenues from Other Sources includes all those revenue sources not included in Property Taxes or Fees and Charges.

RCMP FEES & CHARGES: These revenues represent various fees charged by the RCMP for services rendered to the public, a commission from the Province of BC to offset the cost of serving criminal documents and revenues from false alarm fees which offset the cost of the RCMP in responding to false alarms. Revenue projections are based on the historic trend.

TAX PENALTY & INTEREST: This revenue source includes penalty and interest charged on past due taxes. Penalties of 5% are applied on all unpaid current taxes on the tax due date and August 2 each year. Interest is applied on all taxes in arrears (one year past due) and all delinquent taxes (two years past due). The revenue is forecast based on past trends and any significant events affecting properties in this category.

RENTALS OF CITY PROPERTY: The City has a number of bare land leases and a few improved property leases. The lease revenue is calculated using the rates included in lease documents as well as historical maintenance costs.

INTERNAL EQUIPMENT RENTALS: This revenue item represents the difference between equipment operating expenditures and the amount expended to operations via equipment charge-out (rental) rates. The revenue generated is meant to cover depreciation or obsolescence and is transferred annually to the Machinery Replacement Reserve where it is held and used to replace equipment and vehicles as required.

MISCELLANEOUS INCOME: This revenue includes a number of revenues that can not be classified within another revenue category. These revenues included such things as grants, sale of history books, sale of assets and towing contract revenues. The budget estimates are calculated using trend analysis modified for factors that the City is aware of.

INTEREST INCOME: This represents interest earned on surplus funds in the General Operating Fund. The estimate is based on a similar cash flow and cash level as the previous year, and uses a projected 1.70% interest rate for 2017.

REVENUE FROM OTHER SOURCES DESCRIPTIONS

GRANTS IN LIEU OF TAXES:*Federal/Provincial Government*

All senior levels of government are exempted from paying property taxes on the annual assessment role. Both levels of Government, however, do recognize that the respective properties do cause a demand for municipal services provided through property taxation. As a result a grant in lieu is paid to the City. Provincial Grants are equal to full taxes and are estimated in that manner. Federal Grants are based on a deemed property valuation which does not provide a grant equal to full taxes, and the revenue stream is forecast accordingly.

Utility Companies

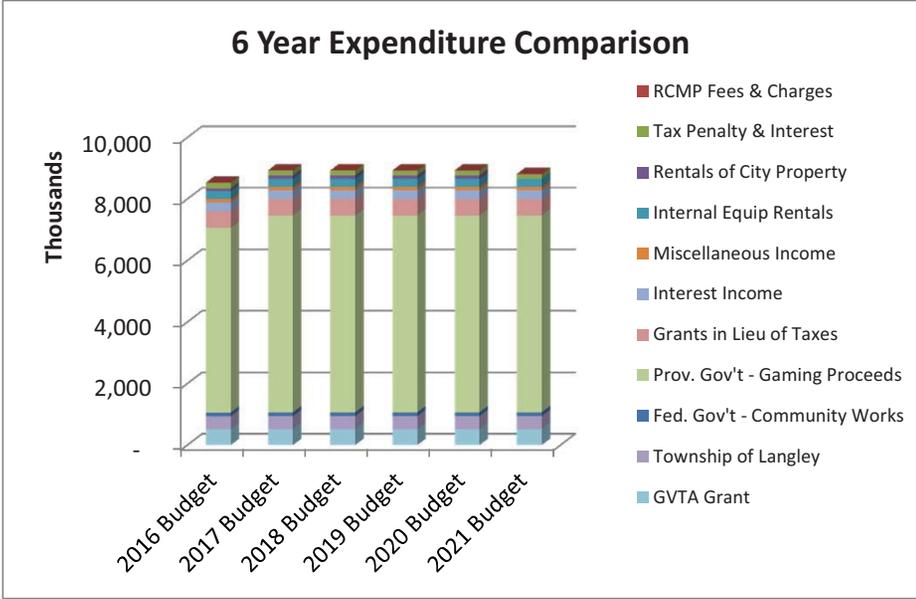

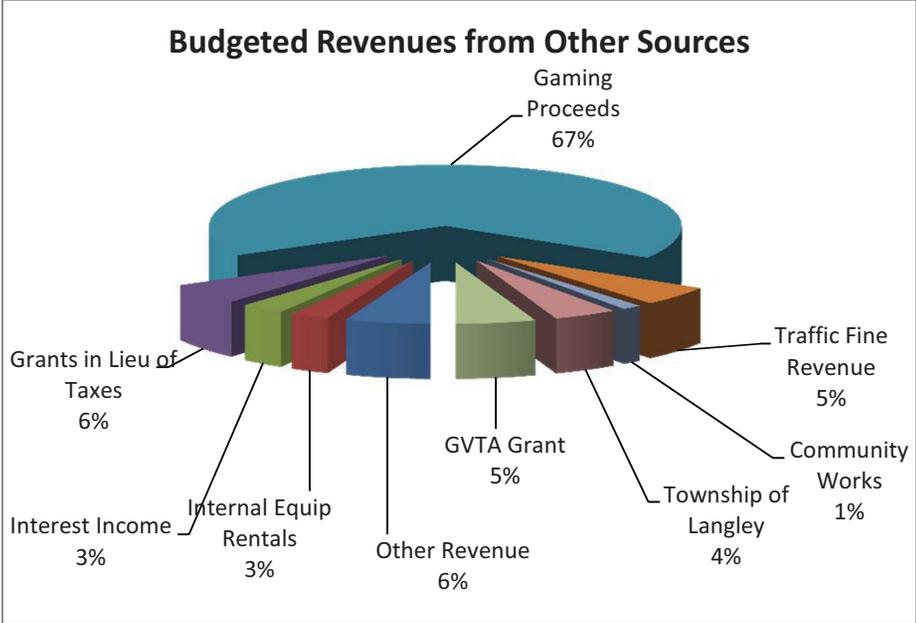

Utility companies do not pay municipal taxes on the value of their transmission lines or other equipment and structures, except buildings. In lieu of taxes, they pay a grant calculated at 1% of the utility revenue generated within the City during the previous year. These revenues are reported to the City and budget estimates are based on reported revenues.

PROVINCE OF BC: This majority of this revenue is the City's portion of Casino Gaming Revenues which has been estimated using the actual payments received last year. This budget also consists of the local government's share of traffic fine revenues generated by the Province of BC. Budget estimates are based on the prior year's grant level until notification of the grant amount is received in the spring of the budget year. Finally this budget include the 2% hotel tax which was implemented in 2005 and is transferred to Langley Tourism.

FEDERAL GOVERNMENT: This revenue represents funds received from the Government of Canada in relation to the Gas Tax Agreement for Community Works. These funds are transferred to reserves for capital investment.

TOWNSHIP OF LANGLEY: This revenue represents funds received from the Township of Langley under the Langley Youth and Family Services cost sharing agreement, the Emergency Planning service agreement and the RCMP building cost sharing agreement. Budget estimates are based on these agreements and budgeted expenditure increases.

GVTA GRANT: This revenue represents the GVTA's grant to the City for the annual maintenance of Major Municipal Network Roads. The grant is based on the lane kilometers of Major Municipal Network Roads.

LEGISLATIVE

Program Description: This program accounts for all expenses associated with the direct activities of City Council. City Council, made up of the Mayor and six Councillors, represents the citizens by providing community leadership in serving as the legislative and policy making body of municipal government. This program also contains the Enterprise funding and Community Grants which are funded solely by gaming proceeds.

Output: City Council holds approximately 25 Council meetings a year, about every two weeks at Langley City Hall. Elected representatives from City Council represent the City of Langley on many regional and provincial boards and committees. Council also attend many community meetings and events, workshops and policy meetings throughout the year.

CITY ADMINISTRATION

Program Description: The primary responsibilities of this program are to lead the overall conduct of the City in pursuing the City’s goals and objectives, the provision of advice to City Council and serving the will of City Council. To safekeep and preserve meeting minutes, bylaws, civic agreements and other related official documents. Administer responsibilities under the Freedom of Information and Protection of Privacy Act. To plan and coordinate official civic functions, visits and events. Prepare agenda packages for meetings of Council, standing and special committees. Record meeting proceedings. Prepare and supervise the conduct of general local elections, referenda and by-elections. To provide human resource advice and support to City staff.

Output: To plan, lead, and direct the overall business affairs and activities of the City in accordance with Council’s directions, together with various bylaws, policies and statutory requirements. Provide advice, assistance and recommendations to City Council and assist in formulating long term goals and objectives. Provide advice, direction and policy interpretation to staff. Sustain a highly motivated organization. Implement policies and procedures. Provide administrative services to City Council, its committees and boards and is responsible for the statutory requirements in the Community Charter. Prepare the schedule, minutes, and agenda for Council meetings. Respond to FOI requests and other Council correspondence.

FINANCE AND CORPORATE SERVICES

Program Description: This program supplies all of the City's accounting and financial management requirements which include payroll, accounts payable, tax/utility billing & collection, cost control reporting, financial reporting, cash management and the annual budget preparation. The department also provides reception and switchboard functions. This program has funding allocated for supplies and services to support the functioning of clerical and management staff for the City's entire operation.

Output: Corporate accounting and financial policies. Compiling and reporting bi-weekly, quarterly, annual, ad-hoc and statutory financial information. Manage the wages and benefits of the city's employees and ensure payment every second week. Process supplier payments on a weekly basis. Effectively manage the billing, collection and management of taxes, utilities and all other fees & charges for the City's property folios. The main source of expenditure is Personnel & Benefits which includes the following positions: Director of Corporate Services, Deputy Director of Corporate Services, Manager of Revenue and Business Systems, Intermediate Accountant, Tax Clerk, Payroll Clerk, A/P Clerk as well as P/T staff relief for vacations and the tax collection period.

INFORMATION TECHNOLOGY

Program Description: This program provides for the support and maintenance of the City's information technology. This program includes an IT Manager as well as an IT Support Technician. A substantial portion of this budget also provides funding for annual software and service provider contracts.

Output: To supply IT services to the staff of the City to assist them in accomplishing organizational objectives. Ensure that City data is secure from outside threat, in a virus-free environment, is backed-up and there are plans for failure or disaster. Provide reliable, high-performance computer systems that enable City staff to perform their job functions efficiently. Train staff so they can take advantage of new functionality or a new application, or whenever there is an expressed need to learn more. Ensure that information is easily accessed by City staff while maintaining proper information security. Constantly improve the City's network infrastructure and keep hardware and software up-to-date. Enhance information and service delivery to the public through the Internet.

CITY HALL MAINTENANCE

Program Description: This budget provides funding to maintain and landscape the City Hall and Library. City Hall maintenance includes budget allocations for janitorial service, electricity and gas, water and sewer, security and alarm monitoring, along with general repairs and maintenance.

Output: The City Hall building is maintained by Building Service workers and includes work at the City Hall, Timms Centre, Library and LYFS. The grounds surrounding the hall are maintained by the City Parks & Engineering crews. Security is also onsite seven days a week. All costs associated with the maintenance of City Hall are shared based on floor area with the Timms centre, library and LYFS.

RCMP DETACHMENT OPERATIONS

Program Description: This budget item provides for RCMP support staff in the form of administration, clerical and jail guards and the related office costs associated to these functions. It also provides maintenance to the RCMP building. These services are all performed in partnership with the Township of Langley and as of September 1, 2007 these costs are shared based on formulas of 25% of the population and 75% of the 5 year rolling average of crime statistics. The City also pays an additional 8% administration charge to the Township for administering this function.

RCMP POLICING CONTRACT

Program Description: Police service for the City is provided by the Royal Canadian Mounted Police. This program is to provide a feeling of security to the citizens of Langley; through the proper management of available resources and with the support of the community as a whole, by the protection of life and property, the apprehension of criminals and crime prevention.

Output: The budget provides for a total contract strength to 51.35 members. It also includes a share in the Integrated Homicide Investigation Team (IHIT), Emergency Response Team and Forensics/Traffic Reconstructionist/Dog Patrol. The RCMP uphold the principles of the Canadian Charter of Rights & Freedoms and provide a professional standard of service. The City currently budgets for 3.3 member vacancies based on historical trends, this results in a budget reduction of approximately \$500,000. There is also a \$30,000 provision for a Community Liason position to work with social service agencies and oversee the implementation of the Homelessness Strategic Plan and Community Crime Prevention Strategic Plan.

COMMUNITY POLICE OFFICE

Program Description: The purpose of the Community Police Office is to bring the police closer to the community making it more convenient for citizens to report incidents and it promotes the development of a closer police community relationship which is consistent with the RCMP's commitment to community policing. It also allows the community to play an active role in policing the community through involvement in various volunteer programs.

Output: Community Policing is about preventing crime. RCMP members work interactively with the community to mutually identify and resolve community problems. This budget provides for the funding of a Information Officer at the CPO to coordinate volunteers and liaise between the public and RCMP. The Community Police Office is open between 8:30am & 4:30pm Monday to Friday at the office located at 20408 Douglas Crescent.

Fire Rescue Service

Cost Centre Description:

Our First Response Team consists of twenty (20) staff who maintain shift coverage of four firefighters on duty twenty-four hours per day. This First Response Team backed up by a compliment of twenty-four paid-on-call firefighters provides for a five minute response time to any fire or medical emergency anywhere within the City of Langley boundaries.

In addition to our Emergency Response Programs, we have a Public Education and Fire Prevention Program under the direction of our Fire Prevention Officer. The FPO and our on-duty crews are out each and every day inspecting retail, commercial and industrial businesses within the City of Langley to ensure that when you enter into those premises as a customer or an employee, that you are operating under a fire safe environment. We also inspect all multi-family residential buildings to ensure safety for residents and visitors.

FIRE ADMINISTRATION

Program Description: Fire Administration is responsible for administration and technical planning, organizing and directing fire fighting, fire prevention and fire fighter training. Other responsibilities include providing initial human resources support in hiring and promotions, budgeting for annual and future requirements, and managing the day to day response of the department. Management is also responsible for maintaining a functional fire fighting team consisting of career and Paid-on-call staff.

Output: The main source of expenditure for fire management is Personnel & Benefits which includes the following positions: Fire Chief, Deputy Fire Chief, Asst Fire Chief and an Administrative Assistant. Training is held as needed with both the Fire Chief and Deputy Fire Chief involved in GVRD and Provincial focus groups to stay current.

FIRE SUPPRESSION

Program Description: The suppression crews are responsible for providing an efficient and timely response to emergencies for residents of the City of Langley. In addition to fire suppression, these crews assist with pre-hospital emergencies, and maintain an aggressive fire inspection program of local commercial and retail businesses. This program includes career staff wages and benefits as well as paid-on-call training and alarm responses. Also included are the annual costs for dispatching by the Surrey Fire Dept.

Output: Service is provided by 4 crews which provide fire suppression service 24 hours a day 7 days a week. Crews work 2 days 2 nights. Each crew consists of 5 firefighters which provide the necessary requirements to do daily inspections, public safety lectures, train on shift to approved national standards. These firefighters respond to every emergency type and provide a 24 hrs day/ 7 days a week service to the community.

PREVENTION & EDUCATION

Program Description: This program provides funding for all fire prevention and public education programs; these include: inspections, school programs, community days, fire prevention week activities, and juvenile fire setter programs; the education component provides funding for developing standards, purchase of manuals and audio- visual training aids, administering exams and funding seminars. This program also provides for the Training .

Output: Program provides funding for one fire prevention officer Monday to Friday 8:30 - 4:30. Visits each Langley city school twice a year to conduct fire drills, safety lectures and teach children how to deal with fire. The Fire Prevention Officer conducts safety lectures to strata councils, apartment blocks and the general public. This program and its materials give the Langley Firefighters a visible presence in the community and are found present at most community events.

LANGLEY YOUTH & FAMILY SERVICES

Program Description: The service is supplied to assist the RCMP in attempting to minimize the entry of youth into the criminal justice system. The mandate of the service is to: coordinate efforts between police, schools and other agencies; provide education and counseling to parents to gain control of their children; provide training and assistance to RCMP members to improve their effectiveness in deal with juveniles and family problems; assist in developing community programs to facilitate crime prevention; work with the school district to identify pre-delinquent behavior; in conjunction with the RCMP Crime Prevention Unit, set up programs aimed at crime prevention.

Output: This service has approximately 600 clients with 2000 client visits for counselling services made each year. The budget includes approximately 7,000 hours of counselling services.

Engineering Operations

Cost Centre Description:

The Engineering and Operations Department is responsible for the 'hidden' services that we have all come to rely on as part of our daily lives, whether at work or play. We strive to ensure that our infrastructure is planned and upgraded appropriately and timely to meet the current and future demands of the City; ensure that the roads and sidewalks are maintained in a safe condition to drive and walk on; ensure that our streetlights and traffic signals are properly maintained for safety and traffic flow reasons; ensure that the streets are swept regularly to remove dirt and debris; and ensure that the signage and lane markings are maintained to provide accurate and direct guidance to all road users.

COMMON SERVICES

Program Description: This program provides engineering administration and management for various functions and activities within the Engineering and Operations Department.

Output: Provides office management and support services including record keeping, and work order controls. Performs survey work and inspection services, prepares engineering studies, ensures City maps are accurate and up to date, prepares conceptual designs and cost estimates for projects, performs capital project management, provides engineering review for all building and rezoning applications and permits.

OPERATIONS CENTRE

Program Description: To provide for the day to day cost of operating the Operations Centre including the cost of the Buyer/Storeskeeper and partial salaries of management and shop labour. Also included in this program are ancillary costs such as hydro, gas, telephone, janitorial services, and supplies.

Output: The Operations Centre provides an area to store the maintenance machinery, some water and sewer appurtenances, road salt and sand, and construction aggregate materials, all of which form an essential part of the overall maintenance of the city.

ROAD & PARKING MAINT.

Program Description: The Road and Parking Maintenance Program includes the maintenance of the road network and parking lot areas to ensure the safe and effective movement of traffic within our city.

Output: To ensure vehicles can operate safely while travelling within the city it is necessary for all roads to be structurally sound and free of defects. Some of the strategies that contribute to the road maintenance program include pot-hole repairs, crack sealing, lane grading, shoulder grading, shoulder gravelling, slot grinding and patching, and milling and paving. As well as addressing safety concerns a soundly designed road and parking lot maintenance program can extend the useful service life of some of the pavements, thus delaying capital costs needed for replacement.

BOULEVARD MAINTENANCE

Program Description: The Boulevard Maintenance Program includes the removal of debris, unwanted vegetation, filling of depressions, repairs to curbs and gutters, and suppression of dust.

Output: Routine maintenance to boulevards contributes to the overall aesthetic appearance of the city and sets an example for our businesses and residents to follow. Addressing specific shortcomings within the boulevards demonstrates due diligence on our part respecting claims from accidents.

SNOW REMOVAL

Program Description: The Snow Removal Program includes the salting and sanding of every street within the city during a snow event. As well as ensuring our residents can move safely within the city it also demonstrates our commitment to them to provide a level of service that is superior to the other lower mainland municipalities.

Output: The intent of the Snow Removal Program is to keep the snow from preventing our residents from the free and safe movement within our city.

STREET SWEEPING

Program Description: The Street Sweeping Program, which includes the sweeping of the primary streets in the downtown core 3 days per week, the sweeping of the secondary streets such as 200th and 208th every 10 days, the sweeping of the residential streets on a semi-annual basis, the collection of litter, and the emptying of the garbage containers contributes to the overall aesthetic appearance of the city. A regular sweeping program also shows that we are being diligent with respect to eliminating some of the possible causes of accidents. As well, because the sweeper operates on an early morning shift it allows us to be aware of and react to conditions such as ice and snow or infrastructure failure prior to the morning rush.

Output: To ensure the streets are clean, free of debris, the garbage bins are emptied routinely, and litter is picked up on a daily basis.

SIDEWALK & BRIDGE

Program Description: Sidewalk and bridge maintenance includes undertaking the repairs necessary to remedy trip hazards when identified by the public, sidewalk panel replacement due to excessive cracking or other failure, minor repairs to bridges, repairs to handrails, and installation and repair of wheel chair letdowns and other related infrastructure components.

Output: Properly maintained sidewalks and bridges allow for the free and safe movement of pedestrian, pedestrian handicapped, and vehicle traffic throughout the city.

MAJOR MUNICIPAL ROADS

Program Description: Some of the services included in the Major Municipal Roads Program are road milling and paving, asphalt patching, snow removal, boulevard maintenance, curb and gutter repairs, crack sealing, minor bridge repairs, and repairs to sidewalks. Roads included in the program include 200 St, Fraser Hwy (Municipal border to 200ST), Fraser Hwy (Langley Bypass to Municipal border), portions of Mufford Crescent and the 204 St Overpass. Funding to maintain these roads is provided from Translink based on lane Km.

Output: An effective maintenance program will help ensure the safe and effective movement of pedestrian, pedestrian handicapped, and vehicle traffic throughout the city.

TRAFFIC SERVICES

Program Description: The Traffic Services Program includes the maintenance of all traffic control devices, street signs, lane marking, curb painting, and crosswalk marking. The proper operation of traffic control devices enables traffic to travel within the city in a safe and expeditious manner. Signs are maintained to ensure they properly display information and are visible in all weather conditions. Curb marking is routinely repainted to discourage parking in front of fire hydrants or in proximity to stop signs. Routine crosswalk marking painting is required to facilitate the safe crossing of roads by pedestrians.

Output: To enable the safe and effective movement of vehicular, pedestrian, and pedestrian handicapped traffic throughout the city.

LANDFILL MONITORING

Program Description: The city is required to monitor the groundwater leachage levels from the old landfill site. It is tested monthly for organic constituents, dissolved metals, inorganic nonmetallics, and trace metals. Although the samples are collected and submitted by city staff the testing is conducted by a private laboratory.

Output: To meet the Provincial requirements the Landfill Monitoring program is essential to our operation.

STREET LIGHT MAINT.

Program Description: The Street Light Maintenance Program includes the replacement of street light bulbs, poles, ballast, and light heads to ensure adequate levels of illumination throughout the city.

Output: A properly designed and executed street light program will ensure the streets and sidewalks are adequately illuminated so that our residents can safely navigate the streets and sidewalks after dark

PLANNING, INSPECTION, LICENCING

Program Description: This program supplies services related to the planning and development of the City. The program’s activities are directed in four main areas: Community Planning; Building Inspection, Permits and Licenses, Economic Development.

Output: The Department is responsible for providing professional planning advice to Council including the preparation of the Official Community Plan (OCP) and other planning policy documents. The Department is also responsible for processing a variety of development applications to ensure effective land-use planning and conformance with regulatory bylaws, policies and legislation, including: OCP Amendments, Zoning Bylaw Amendments, Development Permits, Development Variance Permits, Subdivisions, Land Use Contract Amendments, Building Permits, Plumbing Permits and Sign Permits. In addition, the Department is responsible for Business Licensing to ensure compliance with City bylaws as well as provincial standards and legislation. Finally, the Department is responsible for economic development activities including partnering with local businesses in promotional initiatives.

TOURISM LANGLEY

Program Description: This program provides the funding for an annual allocation to Tourism Langley which was endorsed by Langley City Council and came into effect September 1, 2007.

Output: Tourism Langley will focus on the tactics and implementation plan initiatives articulated in the Tourism Langley Plan. The City of Langley's commitment to fund the new Tourism Langley organization is limited to reallocating the revenue from the City's 2% Hotel Tax Revenue and starting in 2008 the funding which was being provided to the Greater Langley Chamber of Commerce was reallocated towards the Langley Tourism Plan.

Solid Waste

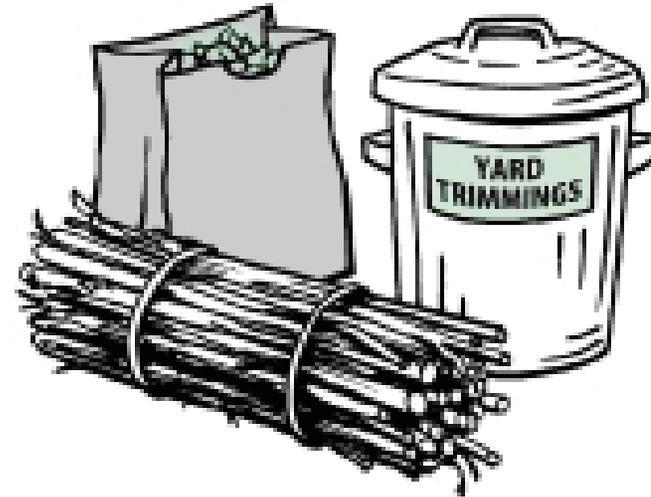

**Solid Waste
Budgeted Expenditures**

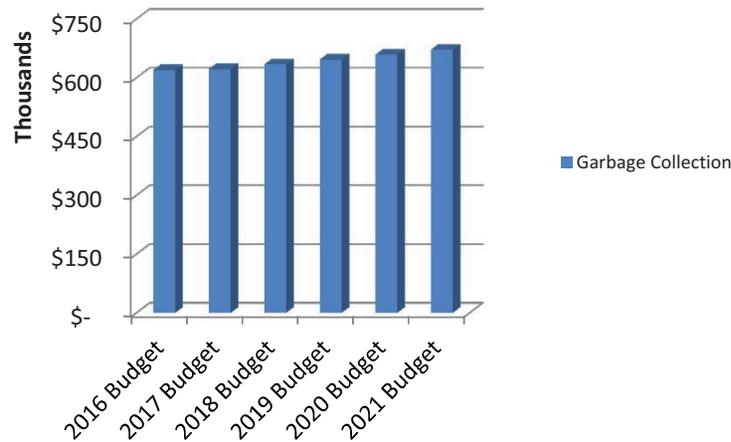

Cost Centre Description:

The City strives to provide reliable bi-weekly garbage and weekly curbside green waste collection and disposal services to the residents of the City. The curbside greenwaste collection program offers our residents an environmental friendly alternative to dispose their greenwaste while reducing the cost of garbage disposal. The City also provides 4 large items to be picked up throughout the year.

GARBAGE COLLECTION

Program Description: Provision for City contractors to collect garbage from the City's residential users on a bi-weekly basis and green waste collection on a weekly basis. This program also provides funding for the large item pickup available to residences up to 4 times per year. *In previous years, green waste collection and disposal was included in the Recycling budget, starting in 2015 it is included with Garbage Collection.*

Output: To maintain garbage collection for approximately 3450 single family homes on a two can/bag limit every two weeks. Residential Strata units and Commercial users are responsible for their own garbage disposal.

LANGLEY CITY LIBRARY

Program Description: This program supplies City residents with all their library services which includes the facility, book/material borrowing, reference material, computer access, library programs, meeting rooms and concession. Library service is contracted through the FVRL (Fraser Valley Regional Library) which allows City residents to access books from the entire region instead of being limited to only the content within the individual library.

Output: Facility is open 7 days a week. Hours of operation are Monday to Thursday 9am to 9pm; Friday 9am to 5pm; Saturday 10am to 5pm; and Sunday 1pm to 5pm. Approximately 300,000 books are borrowed on an annual basis with about 200,000 visits to the library each year. Since the Library resides in the same building as City Hall, the costs for maintenance and operations are proportionately shared based on floor area.

Parks Operations

Parks Operations Budgeted Expenditures

6 Year Expenditure Comparison

Cost Centre Description:

The Parks Operations Division strives to provide a high quality of playing condition at our sportsfields for all park users; create an visually attractive environment at our parks with abundance and well-designed floral and landscape displays; maintain our natural trail systems in a safe and welcoming condition; develop play structures at our parks that promote social, physical fitness, and creativity opportunities for children; and develop community pride. We strive to create an environment in our park systems that promote active living and participation.

CITY IMAGE MAINTENANCE

Program Description: Beautification of City using plantings and maintaining garden beds at various parks. Provide a high level of horticulture maintenance at Sendall Gardens for botanical beds and tropical greenhouse. Maintain and cut park turf on a regular basis. Remove graffiti and repair vandalism in an efficient and timely manner. Continually investigate new inovative methods to effeciently enhance the City.

Output: Grass cutting in most parks is done every 10 -12 days. Regular litter collection occurs every Monday and Friday, all Park garbage containers are emptied and stray litter is picked up in all parks. Routine graffiti and vandalism patrol on Mondays, graffiti removal and over painting are done as required in a timely and efficient manor. Plant 50 new trees annually. Innes corners fountain is cleaned and maintained every Monday and Friday. Innes Corners pressure washed twice annually.

GENERAL MAINTENANCE

Program Description: To plant around and enhance "Welcome to Langley" signs and to maintain all other parks signage. Purchase tools, equipment and supplies to perform tasks in an a cost effective manner. Cover dumping fees from excavation and park clean up.

Output: Clean and repair City signage as required. Purchase and install new signage as needed, such as Dog signs and Trail signs. Purchase replacement tools and equipment as required for the work force to perform their tasks in an efficient and timely manner. Purchase and distribute a variety of supplies, such as fertilizer, paint, lumber etc.

OTHER PARKS COSTS

Program Description: To cover miscellaneous items, special events, unforeseen circumstances, new initiatives. Bi-annual clean up of all City walkways that interconnect neighbourhood and schools throughout the City.

Output: City Walkways receive regular maintenance and overall clean up, once in the Spring and again in the Fall. Travel costs and dumping fees from site excavations, tree and shrub removal, general park clean up and hauling to a dump site. Upgrades to school facilities that are being utilized by City user groups. Assist with volunteer initiatives within the City, such as the Point of Pride Program.

Sewerage & Drainage Fund

2017-2021 Financial Plan

SEWER & DRAINAGE FUND

The sewer user rate structure in 2017 will increase by 6.1% or \$0.06/CM. The sewer rate increase is to offset an increased allocation of administrative costs from the general fund, additional sewerage treatment fees and increment the annual transfer to reserves for future capital expenditures. Future years volume based rates for 2018-2021 are estimated to increase at \$0.05 annually.

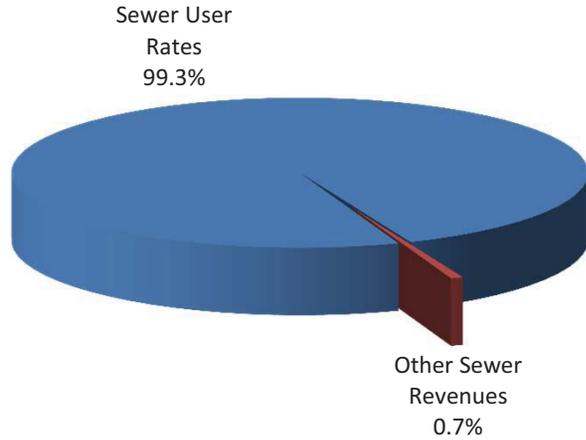

The consumption based charge will increase to \$1.04 per cubic meter (based on 80% of water consumption) and the flat fee will also increase to \$75. Sewerage and Drainage rates are designed to attain a user pay system by charging customers for their actual use. The average total cost for a Single Family Home in 2017 will be \$349.56 (an increase of \$40.84 over 2016), and \$233.08 (an increase of \$34.02 over 2016) for a Strata Dwelling.

Other Sewer revenues consist of Interest Income from investments as well as a proportionate share of interest and penalties which have been generated from outstanding taxes.

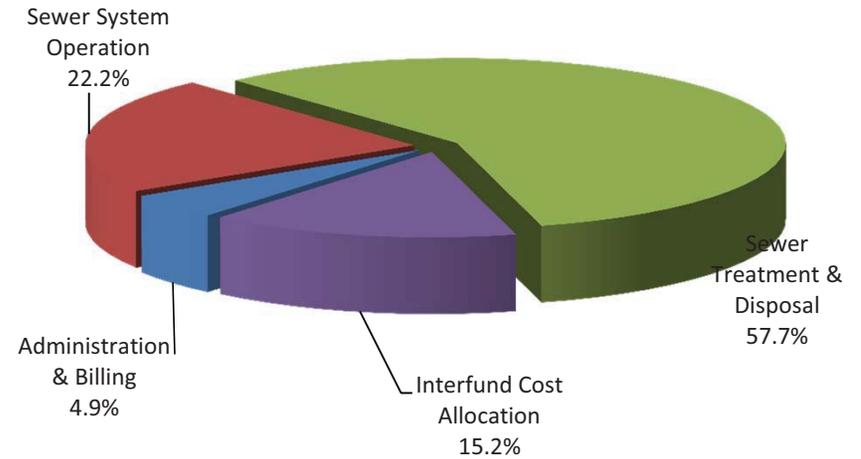

An annual levy from the GVS&DD for sewer treatment and disposal, accounts for over 61.5% of the expenditures in this fund. The GVS&DD has increased this levy by \$130,120 (7.4%) in 2017. The plan presented allows additional increases in the next four years of 3% annually for upgrades and improvements to treatment facilities.

Fiscal Services includes an annual "Interfund Cost Allocation" which is an allocation of expenses from the General Fund for Administration, Payroll, Purchasing, Customer Services, General Office Services, Insurance and claims.

ADMINISTRATION & BILLING

Program Description: Costs are for the provision of the following services: Administration of Sewerage & Drainage maintenance, Billing and Collection.

Output: The primary expenditure in this program is Personnel costs. These costs are associated with administering the maintenance of the sewer system, and other costs associated with billing and collection of sewerage revenues.

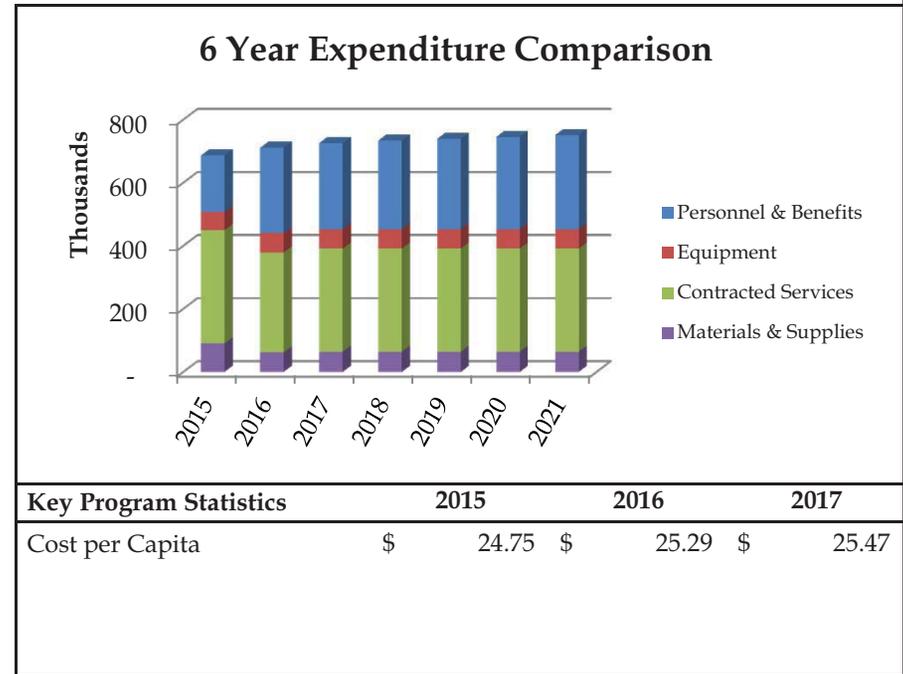

Key Program Statistics	2015	2016	2017

SEWER SYSTEM OPERATION

Program Description: Provides for the maintenance and repair of the community's sanitary sewer and drainage systems. Services include sanitary sewer flushing of mains, repairing plugged services, locating and adjusting manholes, repairing sanitary and drainage mains and manholes. There is also regular monitoring of the amount of flow in the sanitary sewer system to determine if there is an inflow and infiltration problem in the system.

Output: To maintain the drainage, storm sewer and sanitary sewer system to remove impediments in order to operate effectively during peak demand and flood conditions. To maintain our four sanitary lift stations that form a key part of our sanitary sewerage distribution system. These stations convey liquid waste from some of the lower lying areas within the city, through a series of pumps, to the Greater Vancouver Sewer & Drainage District transmission mains. Regular maintenance to the pumps and other components of the lift station is required to minimize the threat of sanitary backups to businesses and residences in these areas.

SEWER TREATMENT & DISPOSAL

Program Description: The City's sanitary discharge is dumped to the Annasis Island treatment plant, which is operated by the GVS&DD. An annual levy is charged by the GVS&DD to recover the operating cost for the treatment plant. The GVS&DD will be starting to meter the actual sanitary discharge from the City, therefore the annual levy will be phased out over the next five years and the City will be charged on actual discharge volume.

Water Fund

2017-2021 Financial Plan

WATER FUND

Water fees are made up of two components, a flat fee and a volume based fee. Volume is based on the property's metered water consumption, which is then billed on an annual basis for most residential properties and low consumption commercial properties. The consumption based charge will remain constant in 2017 however the flat fee will be increasing to \$75. Future years volume based rates for 2018-2021 are estimated to increase at \$0.03 annually.

The flat rate increase is to offset an increased allocation of administrative costs from the general fund, increase in the GVWD water rates and an increases in wages and supplies.

Water rates are designed to attain a user pay system by charging customers for their actual use. The average total cost for a Single Family Home in 2017 will be \$457.80(an increase of \$25.00 over 2016), and \$295.33 (an increase of \$25.00 over 2016) for a Strata Dwelling.

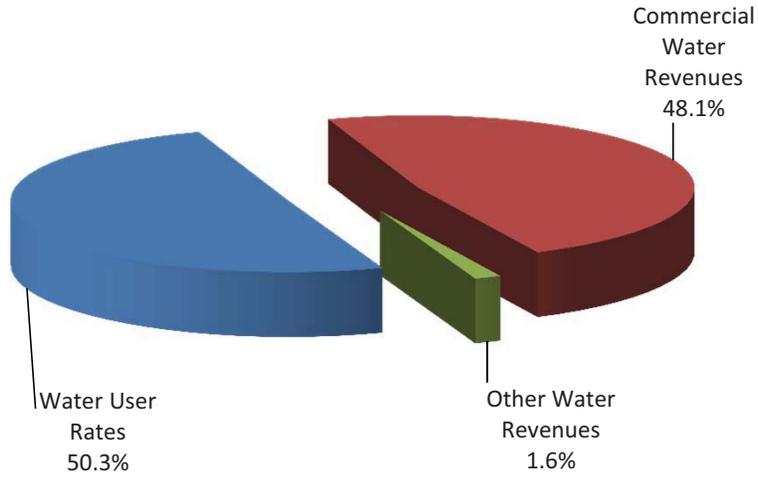

Commercial Water usage is also metered, but is billed on a bi-monthly basis instead of annually. If the bi-monthly bill is paid before the discount date the rates are comparable to residential rates, otherwise they are 10% higher.

Other Water revenues consist of Interest Income from investments as well as a proportionate share of interest and penalties which have been generated from outstanding taxes. Also included is a recovery fee for the maintenance and operation of fire hydrants.

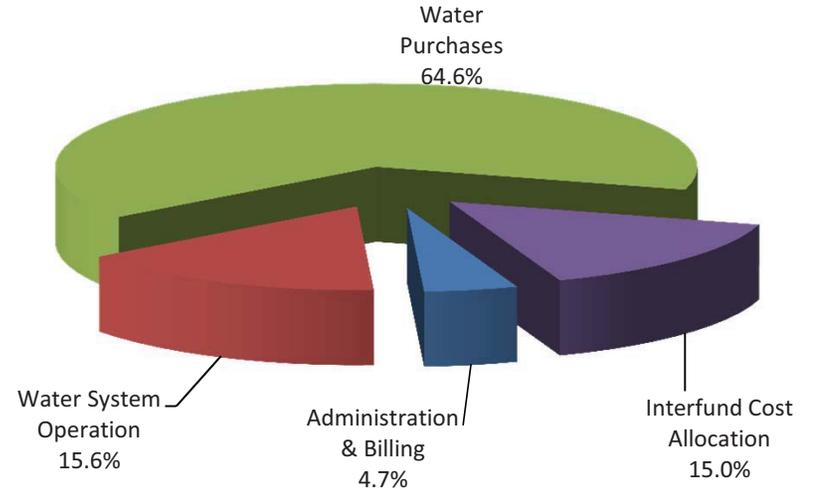

Fiscal Services includes an annual "Interfund Cost Allocation" which is an allocation of expenses from the General Fund for Administration, Payroll, Purchasing, Customer Services, General Office Services, Insurance and claims.

The GVWD has indicated that there will be increases in water costs over the next 5 years to allow for improved water filtration, the plan presented includes an increase of 1.1% in rates for 2017. The water purchase cost of \$2.6 million makes up 68.4% of the expenditures in the water fund. The plan presented allows additional increases in the next four years (2018-2021) of 3.0% annually.

ADMINISTRATION & BILLING

Program Description: This program provides funding for Administration, as well as billing and collections of the City's water system. Provision for reading residential water meters once a year and reading commercial water meters once every two months. Water meter reading and maintenance is currently contracted to Neptune Technologies Inc.

Output: Water consumption is broken down into two categories, Residential and Commercial. Residential is currently read once a year and is billed on the annual property tax notice. Commercial accounts are read and billed on a bi-monthly basis. This program's main expenditure is for Wages & Benefits which includes a proportion of the Director of Engineering and the Manager of Engineering Operations.

WATER SYSTEM OPERATION

Program Description: To ensure proper operation of all facets of the water distribution system by undertaking a detailed maintenance program including: water mains, fire hydrants, line and lateral valves, PRV's, reservoir, pumps, backflow preventers, water meters and air valves.

Output: To provide excellent quality water to residents of the City; adhere to requirements set out in the Drinking Water Protection Act; and to extend the useful life of distribution infrastructure. To ensure the supply of potable water to the residents is uninterrupted and the quality is safe for consumption. To maintain fire hydrants and line valves annually. Water mains require flushing at least once per year to remove bio-deposits that can negatively affect water quality and provide a growth medium for harmful micro-organisms in the event they are introduced into the system. PRVs require maintenance to ensure system pressures do not fluctuate excessively. Maintain reservoir and pump stations to provide water storage, additional supply and pressure during peak demand.

WATER PURCHASES

Program Description: The City purchases water from the GVWD (Greater Vancouver Water District) for all residential, industrial, commercial, and institutional properties. The City's water consumption is measured by a single meter from the GVWD and is billed on a monthly basis.

Output: All water is purchased from the GVWD to supply the residents of Langley. The City maintains a water reservoir to ensure supply of water to City residents in the case of any temporary stoppage in supply from the GVWD.

Every \$1 in debt generates another \$0.60 in interest cost over 20 years. So if we borrow \$10 million today we will repay \$16 million in interest and principal over the next 20 years. If we avoid the debt by using casino proceeds today (as per the policy) we will have an additional \$6 million available for infrastructure renewal.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
General Government Services Projects				
GG1	IT Computer Workstation Upgrade	Workstations are replaced after five years of service.	30,000	None.
GG2	IT Computer Server & IT Infrastructure Upgrade	Servers are replaced after five years of service.	80,000	None.
GG3	Office Equipment Replacement	Ongoing office equipment replacements.	15,000	None.
GG4	Photocopier Replacement	Replace the a number of photocopiers that are over 7 years old.	20,000	Reduction in ongoing maintenance costs.
GG5	Website Upgrade	Improve the website's information architecture for to enhance the way in information is organized, the labeling, navigation and search systems.	30,000	Reduced staff time to maintain the system.
GG6	IT Software Upgrades	Upgrade our Microsoft Office 2010 licenses to the latest version of the software. This software is used by most staff for word processing, spreadsheets and presentations. Microsoft Office integrates with our document management and other systems so we need to remain compatible.	30,000	None.
GG7	IT Tempest Prospero eApply	This program allows citizens and businesses to apply, pay fees and monitor the status of their permit and applications online providing enhanced customer service 24 x 7.	18,000	The system should free up staff time as more citizens and businesses use self-service online. There will be annual software maintenance costs of \$2,000 per year.
GG8	Corporate Communication Strategy	Develop a comprehensive, detailed strategic document that is designed to guide the communications of the organization for 3-4 years which would align with the new Strategic Plan.	25,000	None.
GG9	City Brand Implementation	The City is undertaking a rebranding exercise in 2016 and the new brand will require funds to implement for vehicle decals, clothing, signage, etc.	40,000	None.
GG10	City Hall Lighting Replacement	Replace pot lights to LED	10,000	Some reduction in power consumption
GG11	City Hall Carpet Replacement	Replace 10,000 sq ft of carpet tiles in the City Hall areas showing signs of wear.	70,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
GG12	City Hall HVAC	To resolve air heating and cooling issues in City Hall	10,000	Reduced staff time to maintain the system.
GG13	City Hall Storage	To provide a maintenance workshop space in the underground parkade	15,000	None.
GG14	City Hall landscaping by old front entrance	To repurpose and landscape area in front of the City Hall that use to be the main entrance converting it to a fire exit only.	350,000	None.
GG15	Property Acquisition	Purchase of strategic properties throughout the City.	500,000	Properties may become exempt from taxation due to municipal ownership and therefore reduce taxation revenue.
GG16	Bylaw Vehicle	Replace Bylaw vehicle	25,000	Operating and maintenance costs will reduce with new vehicles.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Protective Services Projects				
RP1	RCMP Office Equipment & Computers	To provide funding for computers, furniture and equipment replacements at the RCMP detachment	32,130	None.
RP2	RCMP Detachment Improvements	Repair the main RCMP detachment building.	143,640	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD1	LCFRS Training Ground Props	Replace & upgrade training props for fire training ground at back of firehall.	60,000	None.
FD2	LCFRS Mobile Data Terminal	Acquire new mobile data terminals	20,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD3	LCFRS Assistant Chief Vehicle Replacement	Replace 10-year old vehicles	45,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD4	LCFRS Hydraulic Rescue Tools	Replace hydraulic rescue tools	25,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD5	LCFRS Hose & Nozzles	Replace hose and obsolete nozzles.	15,000	None.
FD6	LCFRS SCBA Equipment	Replace Aging Equipment	12,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD7	LCFRS Air Cylinder Replacement	Replace Aging Equipment	15,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD8	LCFRS Ground Ladders	Replace Aging Equipment	5,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD9	LCFRS Furniture	Replace damaged and worn office and sleeping quarters furniture	7,500	None.
FD10	LCFRS Base Station Radios	Replacement of out dated radios. Important as these are life safety radios	100,000	Operating costs of the equipment are ongoing but will increase \$85,000 per year \$11,000 of which is reflected in the current year financial plan.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
FD11	LCFRS Pagers	Upgrade pagers for Paid on Call staff	15,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD12	LCFRS Fire Chief Vehicle	Replace 10-year old vehicles	47,500	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD13	LCFRS Training Materials	Upgrade training manuals to meet current NFPA standards	25,000	None.
FD14	LCFRS Command Vehicle	Replace 1999 Command Vehicle	80,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD15	LCFRS Rescue 1 Vehicle	Replace 1996 Rescue truck	600,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD16	LCFRS HVAC System	Replace or upgrade firehall HVAC system	40,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD17	LCFRS Air Bag Rescue System	Replace old air bag rescue system as equipment will have reached its life expectancy	45,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD18	LCFRS Replace Engine 11	Replace 20 year old fire truck	1,300,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.
FD19	LCFRS Ladder Truck Replacement	Replace 20 year old fire truck	2,500,000	Operating costs of the equipment are ongoing and reflected in the current year financial plan.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Engineering Projects				
E1	Equipment Replacement	Replace Unit #223 2006 Backhoe (\$275K), Unit #243 2009 Chev Van (\$75K), a 1994 Hotsy Pressure Washer (\$12K), Snow & Ice Equipment for Dump Truck (\$25K), Boulevard Mower (\$10K), Dump Truck Trailer (\$50K), Unit #275 cab enclosure (\$6K)	443,000	None.
E2	Road Rehabilitation	Rehabilitate Roads and pavement to acceptable standards.	850,000	Remedial work to deteriorated roads will extend the life of the roads and will reduce significant road reconstruction costs in the future.
E3	Misc Property Purchase	To provide funding for possible future land acquisition and development	50,000	None.
E4	Pedestrian Facilities (DCC-R014)	Includes the procurement of land and construction activities associated with providing sidewalk, off-street multi-use pathways. Includes Accessibility Improvements and Bus stop Accessibility, Additional sidewalk priorities from Master Transportation Plan.	350,000	None.
E5	Transit Support Measures (DCC-R012)	Install concrete bus landing pads at various locations throughout the City	75,000	None.
E6	Bicycle Facilities (DCC-R013)	Includes the procurement of land and construction activities associated with providing bicycle lanes, shared lanes, bicycle storage facilities.	200,000	Marginal incremental maintenance costs will be required in future years.
E7	Traffic Calming	Install traffic calming measures at school zone sites throughout the City. (50 Ave, 198 St, 207 St, Michaud Crescent)	400,000	Marginal incremental maintenance costs will be required in future years.
E8	Street Light Replacement	Continued upgrade street lights throughout the City.	100,000	None.
E9	LED Lighting Fixture Replacement Program	Upgrade existing street lights to new energy efficient LED bulbs.	200,000	Operating costs should be reduced due to less frequent maintenance and reduced power consumption.
E10	Banner Replacement	Replace banners on a scheduled cyclical plan	8,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E11	56 Ave, Glover Rd to Langley Bypass	Road rehabilitation in conjunction with AC water main replacement and AC Sanitary Sewer upgrades.		Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E12	Douglas Crescent, 204 St to 208 St	Road rehabilitation and streetscape improvements in conjunction with AC water main replacement and some storm sewer upgrades. Subject to successful award of senior level of government grant funding.	1,500,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E13	200 St Bridge Deck replacement Bridge to 50 A	Reconstruct Bridge Deck to extend its useful life, as well as, road reconstruction from the bridge to 50 Ave (southbound lanes only). Project would be in conjunction with AC watermain replacement.	1,450,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E14	Fraser Hwy: Langley Bypass to Landmark Wa	Road rehabilitation in conjunction with water main upgrades.	193,675	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E15	46A Ave Sidewalk	Install sidewalks on 46A Ave from 208 St to 204A St.	193,000	Marginal incremental maintenance costs will be required in future years.
E16	Retaining Wall rehabilitation	Rehabilitate or replace retaining walls as recommended in the 2015 Retaining Wall Assessment Report. Includes walls 4, (\$6,500), 5A (\$38,000), 5B (\$71,000), 10 (\$31,000), 16 (\$17,000), 37 (\$14,500)	200,000	Remedial work to deteriorated walls will extend the life of the walls and will reduce significant wall reconstruction costs in the future.
E17	Fraser Hwy, 204 St to 206 St - Concept Plan	Prepare conceptual design and public consultation for road, utility and streetscape improvements	200,000	None.
E18	Grade Crescent Planning	Grade cresc from 200 St to 208 St	75,000	None.
E19	Traffic Signal 62 Ave / 203 St (Twp) Design	City's share of traffic signal design at 62 Ave and 203 St and left turn lanes	50,000	Current maintenance cost to maintain this signal will be reallocated to maintain other signals.
E20	Crosswalk Improvements 208 St & 50A Ave	Design and construct crosswalk improvements to improve pedestrian safety.	140,000	Incremental increase in maintenance costs will be required in future years.
E21	Crosswalk Improvements 54 Ave & 204 St	Design and construct crosswalk improvements to improve pedestrian safety.	100,000	Incremental increase in maintenance costs will be required in future years.
E22	Boulevard Treatment Upgrade	To remove old vegetation and replace with top soil and sod to improve appearance and make maintenance easier.	75,000	An operating request will accompany this.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E23	Operation Centre Improvements	Replace windows with broken seals, flooring in men's washroom and change room areas. Paving the Parks Operation yard and complete the walkthrough connection between the buildings.	150,000	None.
E24	Pedestrian Walkways	Rehabilitate neighbourhood walkways	50,000	Current maintenance cost to maintain these walkways will be reallocated to maintain other walkways
E25	Asset Management Implementation	Software solution to assist staff in asset management, infrastructure replacement planning and workflow management.	70,000	Depending on the software system selected a \$30,000 operating budget would be required in future years.
E26	Yellow Curb Paint Removal	Removal of faded yellow curb throughout the City to reduce confusion with parking signage and improve appearance.	25,000	None.
E27	Welcome to Langley Sign Refurbishing	Recondition signs by rewrapping them after the branding exercise is completed. The current signs are faded and vandalized.	15,000	Current maintenance cost to maintain these signs will be reallocated to maintain other signs
E28	2 Streetlights on Park Ave	\$8000 transfer from special bonds (developer provided cash for future LED streetlights)	8,000	Operating costs should be reduced due to less frequent maintenance and reduced power consumption.
E29	Document Scanning	To archive old drawings for long term storage of engineering plans.	10,000	None.
E30	Traffic Signal Upgrade	Traffic signal equipment has a best practise life expectancy - 12 years for the cabinet and controller and 25 years for the signal heads, poles and wiring.	250,000	Current maintenance cost to maintain this signal will be reallocated to maintain other signals.
E31	Accessibility Improvements	Construct wheelchair curb letdowns to facilitate access.	100,000	Marginal incremental maintenance costs will be required in future years.
E32	Salt Lane sidewalk and trees	Update streetscape to current downtown standards and plant new trees with irrigation and receptacles.	200,000	Current maintenance cost to maintain the brick sidewalks will be reallocated to maintain other sidewalks.
E33	Michaud Greenway Concept Development	Develop concept design for future construction of greenway on Michaud Crescent.	75,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E34	Production Way	Road reconstruction including ditch infill, widening, sidewalks and streetlights in conjunction with AC water main replacement and some sanitary/storm sewer upgrades. This area has high redevelopment potential and should be considered a beautification project. This project may develop into a LASP pending results of the petition.	2,500,000	Maintenance costs will be increased with the addition of streetlighting, sidewalks, and drainage components.
E35	Fraser Hwy 204 St to 206 St Streetscape	Conceptual design and public consultation for road, utility and streetscape improvements.	1,450,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E36	Fraser Hwy 204 St to 206 St Hydro Underground	Undergrounding of the BC Hydro power lines would be subject to 1/3 grant funding from BC Hydro.	2,145,000	None.
E37	200 St: 44 Ave to 50 Ave (E)	Road rehabilitation in conjunction with AC water main replacement and add left turn lanes	1,936,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E38	55A Ave: 200 St to 201A St	Road rehabilitation in conjunction with AC water main replacement.	181,775	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E39	Grade Crescent, 200 St to 208 St (DCC-R004)	Reconstruct to a collector road standard including sidewalks (\$350K) and bicycle lanes (\$200K)	3,900,465	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E40	198 St: 53 Ave to 56 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	294,445	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E41	Industrial Ave, 201A St to 203 St	Road rehabilitation in conjunction with AC water main replacement.	189,285	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E42	49 Ave, 196 St (Border) to 200 St	Road rehabilitation in conjunction with AC water main replacement.	203,700	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E43	198C St: 45B Ave to 47 Ave	Road rehabilitation	155,440	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E44	204 St: 53 Ave to Fraser Hwy	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	289,495	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E45	206 St: 53A Ave to 56 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	310,670	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E46	56 Ave: 200 St to 201A St	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	198,340	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E47	Park Ave: 204 St to Douglas Cr	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	68,765	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E48	206 St: 44A Ave to 46A Ave	Road rehabilitation in conjunction with AC water main replacement.	68,560	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E49	207A St: 44A Ave to 46A Ave	Road rehabilitation in conjunction with AC water main replacement.	115,625	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E50	46 Ave: 206A St to 207A St	Road rehabilitation in conjunction with AC water main replacement.	58,235	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E51	46 Ave: 208 St to 209A St	Road rehabilitation in conjunction with AC water main replacement.	57,085	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E52	Road Rehabilitation (various locations)	Road rehabilitation	417,330	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E53	201A Street: 56 Ave to 56 Ave (DCC-R008)	New traffic signal	396,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E54	55A Ave: West End (City Limit) to 198 St	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	153,810	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E55	208 St: Fraser Hwy to 56 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	114,950	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E56	196A St: 60 Ave to Fraser Hwy	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	30,785	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E57	Logan Ave: 204 St / Duncan Way to 203A St	Road rehabilitation in conjunction with AC sanitary sewer replacement.	90,510	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E58	207 St: 53A Ave to Douglas Cr	Road rehabilitation in conjunction with AC sanitary sewer replacement.	116,045	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E59	56 Ave: 203 St / Douglas Cr to Fraser Hwy	Road rehabilitation in conjunction with AC water main replacement.	81,015	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E60	55 Ave: West End (Cul-de-sac) to 198 Ave	Road rehabilitation in conjunction with AC water main replacement.	46,295	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E61	Eastleigh Cr: Glover Rd to 56 Ave	Road rehabilitation in conjunction with AC water main replacement.	101,450	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E62	208 St: South End (Cul-de-sac) to Douglas Cr	Road rehabilitation in conjunction with AC water main replacement.	62,910	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E63	45A Ave: 199 St to 200 St	Road rehabilitation in conjunction with AC water main replacement.	49,370	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E64	209 St: 45A Ave to 46 Ave	Road rehabilitation in conjunction with AC water main replacement.	20,320	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E65	Road Rehabilitation (various locations)	Road rehabilitation	1,039,935	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E66	196A St: 60 Ave to Fraser Hwy (DCC-R017)	Reconstruct to a collector road standard.	944,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E67	Fraser Hwy: 56 Ave to 204 St / Glover Rd	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	81,700	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E68	54 Ave: 201A St to 204 St	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	141,350	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E69	54A Ave: 201A St to 203 St	Road rehabilitation in conjunction with AC water main replacement.	78,720	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E70	53B Ave: 200A St to 201 St	Road rehabilitation in conjunction with AC water main replacement.	23,545	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E71	206A St: 45 Ave to 46 Ave	Road rehabilitation in conjunction with AC sanitary sewer replacement.	45,070	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E72	53A Ave: West End (Cul-de-sac) to 200 St	Road rehabilitation in conjunction with AC sanitary sewer replacement.	12,180	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E73	51A Ave: West End (Cul-de-sac) to 204 St	Road rehabilitation in conjunction with AC sanitary sewer replacement.	19,415	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E74	Road Rehabilitation (various locations)	Road rehabilitation	1,494,075	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E75	54A Ave: West End (Cul-de-sac) to 198 Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	50,920	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E76	Glover Rd: Logan Ave to Duncan Way	Road rehabilitation in conjunction with AC water main replacement.	167,060	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E77	Old Yale Rd 1: Northwest End to Old Yale Rd	Road rehabilitation in conjunction with AC water main replacement.	184,005	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E78	48 Ave: 196 St (City Boundry) to 200 St	Road rehabilitation in conjunction with AC water main replacement.	119,670	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E79	48A Ave: 196 St to 1/2 Way	Road rehabilitation in conjunction with AC water main replacement.	45,595	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E80	53A Ave: 200A St to 201 St	Road rehabilitation in conjunction with AC water main replacement.	25,805	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E81	Bike Lanes Widening Required (Glover Rd: Fr	Addition of bike lanes and associated upgrades	331,500	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E82	Road Rehabilitation (various locations)	Road rehabilitation	1,217,410	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E83	201A St: South End (Dead End) to Industrial A	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	496,810	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E84	200A St: 53A Ave to 53B Ave	Road rehabilitation in conjunction with AC water main replacement and AC sanitary sewer replacement.	20,505	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E85	200 St: 56 Ave to Industrial Ave	Road rehabilitation in conjunction with AC sanitary sewer replacement.	459,415	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E86	197B St: 49 Ave to North End (Cul-de-sac)	Road rehabilitation in conjunction with AC water main replacement.	26,150	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E87	198 St: 56 Ave to Production Way	Road rehabilitation in conjunction with AC water main replacement.	170,165	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E88	200 St: 50 Ave (E) to 53 Ave	Road rehabilitation in conjunction with AC water main replacement.	322,805	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E89	Road Rehabilitation (various locations)	Road rehabilitation	1,729,470	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E90	200 St: Fraser Hwy to Production Way / Logar Road	widening and associated upgrade	2,271,655	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E91	200 St: 56 Ave to 57A Ave (DCC-R006)	Intersection Improvements, eliminate short right turn merge lane and advance left turn signal.	100,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
E92	200 St: Michaud Cr to Brydon Cr (DCC-R019)	Reconstruct to a collector road standard.	718,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.
E93	Ops Centre Building	Construct a new Operation Centre Building.	6,000,000	Maintainance costs will increase with larger building space.
E94	62 Ave: 200 to Mufford (DCC-R003)	Reconstruct 62 Ave between 200 Street and Mufford Crescent to arterial road standard.	2,000,000	Current maintenance cost to maintain this road will be reallocated to maintain other deteriorating roads.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Development Services Projects				
DS1	Scanning Building Development Plans	To archive old drawings for long term storage of building development plans.	10,000	None.
DS2	Office Furniture	To reconfigure the office space to better accommodate the work functions of the staff in the Development Services area.	5,000	None.
DS3	Economic Develop Strategy Implementation	To implement priorities emanating from the 2016 Economic Development Strategy and Business Recruitment and Retention Strategy.	25,000	None.
DS4	Destination Marketing Campaign	Emanating from the Business Recruitment and Retention Strategy prepare a focused marketing strategy to specialty retail destination businesses	10,000	None.
DS5	Land Use Contract Termination	As part of a renewal of land use regulations including a new zoning bylaw, the City is preparing to terminate all land use contracts affecting 546 properties. Additional legal fees are anticipated in the bylaw preparation and procedures for notice and adoption.	10,000	None.
DS6	Rapid Transit Station Guideway Design	Undertake a preliminary urban design for the proposed rapid transit station area and alignments to engage in Translink's planning process.	10,000	None.
DS7	Sign Bylaw Update	Update the Sign Bylaw	35,000	None.
DS8	Building Inspector Electric Vehicle	Replace unit 219 - Smart Car	35,000	Electric vehicles will reduce vehicle charge out rates by approximately \$5,000 per year.
DS9	Senior/Age Friendly Community Initiative	In an age-friendly community, policies, services and structures related to the physical and social environment are designed to help seniors age actively. In other words, the community is set up to help seniors live safely, enjoy good health and stay involved.	40,000	None.

DS10	Child/Youth Friendly Community Initiative	In an child & youth-friendly community, policies, services and structures related to the physical and social environment are designed with children and youth in mind.	40,000	None.
DS11	Affordable Housing Strategy Update	The existing Affordable Housing Strategy was prepared in 2009. The purpose of the update strategy is to guide decision making around affordable housing over the next ten years and to consider the potential loss of rental housing units and the City's role to support affordable housing initiatives.	40,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Parks & Recreation Projects				
P1	Equipment Replacement	Replace unit #189 a 2002 Ford F 450 Flatdeck (\$75,000) and unit #225 a 2006 Ford F550 Dump (\$75,000), purchase small boulevard mower (\$12,000), purchase a sand top dresser (\$45,000), purchase a litter packer (\$130,000).	337,000	None.
P2	Trail System Expansion (DCC-P018)	Expand trail system to provide more connectivity; design and build strategically located infrastructure to support the trail system, like retaining walls.	80,000	Increased annual maintenance for any new trails.
P3	Timm's Equipment	Purchase additional weight room equipment (Stepper and Rowing Machine), games room equipment	15,000	None.
P4	DRC Equipment	Replacement of aging preschool program aids, play and sports equipment, replace long tables.	10,000	None.
P5	AAMP Equipment	Replace starting blocks, provide 5 AED training devices and purchase a new tot dock with teaching aids.	16,200	None.
P6	DRC Storage Room	Add an additional storage room to the south east corner of the main hall.	30,000	None.
P7	DRC Interior Painting & Wall Coverings	Paint the interior wall in the Douglas Recreation Centre and replace wall coverings in the washrooms.	11,500	None.
P8	DRC Roof and Soufitting	Replace lower level roof on east side of Douglas Recreation Centre above the washroom and BSW room and repair water damage in soufitting along the front of DRC	30,000	None.
P9	AAMP - Floor Tiling	Tile the floor in the Al Anderson Memorial Pool family change room including the pony wall and under the cubicles.	25,000	
P10	AAMP Reception Counter	Replace the front reception counter and display cabinet.	6,000	None.
P11	AAMP Hair & Lint Strainer	Replace old strainer in the mechanical room for easier maintenance.	8,000	None.
P12	Library Lighting Replacement	Replace lighting in the library with LED fixtures	25,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P13	Library Shelving and furniture replacement	Replace aging, damaged and soiled furniture and provide additional shelving configurations.	35,000	None.
P14	Penzer Park - Play, Youth Areas (DCC-P013)	(Create a challenge course , with 40 yard dash - \$400,000 + Pump Track for bikes, skateboards and scooters - \$350,000 + Adventure Playground \$ 175,000 and walkways \$75,000	1,000,000	Additional operating dollars for maintenance will be required.
P15	Rotary Centennial - Sports Field (DCC-P017)	Make improvements anticipated in the DCC bylaw including replacing the play structure.	700,000	Additional operating dollars for maintenance will be required.
P16	Hunter Park	Reconstruct the park due to the mass tree removal required due to the laminated root rot infestation.	160,000	Incremental increase in maintenance cost in future years.
P17	Brydon Sports Court Renovation	Renovate the sports court to provide more opportunities for use. Replace fencing, renovate asphalt surface and add hockey nets and lines to current basketball configuration.	150,000	Additional operating dollars for maintenance will be required.
P18	Portage Park Upgrades - Dog, Picnic Area	Conduct upgrades as outlined in the planning process	50,000	Additional operating dollars for maintenance will be required.
P19	Portage Park - Trails (DCC-P014)	Make improvements anticipated in the DCC bylaw.	65,000	Additional operating dollars for maintenance will be required.
P20	Douglas Park Planning	Conduct a planning process with community input for Douglas Park.	10,000	None.
P21	Douglas Park Lighting Replacement	Replace 11 pathway light poles in Douglas Park with the downtown standard poles and LED lamp fixtures.	40,000	Operating costs should be reduced due to less frequent maintenance and reduced power consumption.
P22	Floodplain Pedestrian Bridge Replacement	The bridge inspection report recommends replacement as the repair costs are significant and costly due to their configuration. Bridges are 201A Street Pedestrian Bridge and 203 Street / 51 Ave Pedestrian Bridge.	350,000	A decrease in the maintenance costs with the updated bridges.
P23	City Park Spray Park	Add more engaging water features to existing spray park and update the plumbing system.	150,000	A decrease in the maintenance costs with the updated equipment.
P24	Linwood Park Playground	Expand the existing playground to include play features for older children in the 5 - 12 years old range.	150,000	Additional operating dollars for maintenance will be required.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P25	Brydon Playground Expansion (Amenity)	Expand and add equipment to existing playground at Brydon Park targeted at older children 5 - 12 years old.	50,000	Additional operating dollars for maintenance will be required.
P26	New Community Garden Location (Amenity)	Develop a new community garden in a location to be determined, fully fenced with raised beds.	30,000	Additional operating dollars for maintenance will be required.
P27	Various park Picnic tables & bleachers (Amenity)	Over a period of 5 years replace aging park amenities like bleachers and picnic tables	20,000	None.
P28	Nicholas Park Spray Park (Amenity)	Resurface the Nicholas Spray Park with a non-slip coating to protect park users and prolong the life of the asphalt surface	15,000	None.
P29	Neighbourhood Park Upgrades	Plan upgrades with community input for parks that need a minor level of upgrade: Buckley Park, Conder Park and other neighbourhood parks and open space.	20,000	None.
P30	Public Art (Community Amenity Fund)	To provide amenities within the community funded by development (public art, street furniture, hydro box wraps and other beautification measures)	20,000	None.
P31	Open Space Upgrades - Innes Corners, McBurney Plaza, BC Hydro Corridor	Conduct moderate upgrades to open space.	5,000	None.
P32	Wayfinding, Regulatory and Interpretive Signs	Develop and install a set of wayfinding, regulatory and interpretive signs for parks, trails, bike routes and recreation/community centres that are consistent with the park identification signs.	10,000	None.
P33	Replace Ash trees on Fraser One Way	Replace Ash trees and install irrigation lines to hanging baskets on Fraser Highway at the one-way section through the downtown core.	100,000	None.
P34	Douglas Park - Playground	Conduct moderate upgrades to the park as outlined in the planning process.	200,000	Additional operating dollars for maintenance will be required.
P35	Twin Rinks Assessment	Undertake a facility envelop and mechanical assessment to ensure the operator is maintaining the building.	15,000	None.
P36	Lawn Bowling Club Flooring	Upgrade the flooring in this City owned facility	15,000	None.
P37	Linda Carlson Park - Interpretive Signage, Trails (DCC-P019)	Make improvements anticipated in the DCC bylaw including replacing the play structure.	10,000	Additional operating dollars for maintenance will be required.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P38	Volunteer Support Software	Purchase of volunteer support software to help coordination, reporting and measurement related to the volunteer program.	10,000	None.
P39	Brydon Park - Planning	Conduct a planning process with community input for Brydon that needs a moderate level of upgrade.	10,000	None.
P40	Penzer Park Sports Box	Construct a sports box in Penzer Park	350,000	Additional operating dollars for maintenance will be required.
P41	Nicholas Park Washroom	Construct a washroom in Nicholas Park	60,000	Additional operating dollars for maintenance will be required.
P42	Special Event - Cinebox HD 20' System	To purchase a 20 foot inflatable screen, projector and sound system to be used at events on City property	6,000	None.
P43	Portable Stage and Risers	Purchase a 288 square foot stage 12 feet by 24 feet system for ceremonies or events at Timms	8,300	None.
P44	Linwood Park - Trees, Pathway, Drainage	Conduct moderate upgrades to the park as outlined in the planning process.	300,000	Additional operating dollars for maintenance will be required.
P45	Linwood Park - Soccer Field Upgrade	Upgrade the field in Linwood Park	650,000	
P46	Michaud House - Washroom	Provide a proper washroom at Michaud House for use by the public.	40,000	Additional operating dollars for maintenance will be required.
P47	Brydon Park - Paths & Nature Interpretation	Conduct moderate upgrades of the paths and nature interpretation as outlined in the planning process above.	50,000	Additional operating dollars for maintenance will be required.
P48	School Site Upgrade	Upgrade play areas at school sites through a joint use agreement where applicable where there is community benefit	30,000	None.
P49	Buckley Park - Fields, Trails & Play (DCC-P003)	Make improvements anticipated in the DCC bylaw including construction of a soccer field.	450,000	Additional operating dollars for maintenance will be required.
P50	Portage Park Upgrades - Sport Court	Conduct upgrades as outlined in the planning process	150,000	Additional operating dollars for maintenance will be required.
P51	Sendall Gardens - Planning	Conduct a comprehensive Park Master Plan for Sendall Gardens, including a full community communications and engagement process.	50,000	None.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P52	Conder Park - Planning	Plan upgrades with community input for parks that need a minor level of upgrade: Buckley Park, Conder Park and other neighbourhood parks and open space.	10,000	None.
P53	City Park - Field, Riparian, Play, Drainage (DCC-P004)	Make improvements anticipated in the DCC bylaw	450,000	None.
P54	City Park - South Field Upgrade	Upgrade the sports field in City Park	450,000	Additional operating dollars for maintenance will be required.
P55	City Park - Outside Cook Diamond Field	Upgrade the sports field in City Park	680,000	Additional operating dollars for maintenance will be required.
P56	Conder Park - Upgrades, Riparian, Viewing Platform (DCC-P005)	Make improvements anticipated in the DCC bylaw including riparian area remediation and viewing platform.	265,000	Operating and maintenance costs will increase with the additional facility
P57	Library Roofing Membrane Replacement	Replace the lower roof over the library and Timms washroom area to prevent water penetration into the building envelop	100,000	None.
P58	Brydon Park - Field Upgrade	Improve existing fields - drainage and irrigation etc.	600,000	None.
P59	Brydon Park - Playground (DCC-P002)	Make improvements anticipated in the DCC bylaw.	100,000	Operating and maintenance costs will increase with the additional facility
P60	Rotary Centennial - Paths, Community Gardens	Conduct upgrades as outlined in the planning process	75,000	Operating and maintenance costs will increase with the additional facility
P61	Douglas Park - Trees & Paths (DCC-P006)	Make improvements anticipated in the DCC bylaw.	75,000	None.
P62	DRC - Renovate Second Flr	Renovate 2nd Floor of DRC for additional use	30,000	Operating and maintenance costs will increase with the additional facility
P63	City Park - Barbour Diamond Field Upgrade	Upgrade the sports field in City Park	600,000	Operating and maintenance costs will increase with the additional facility
P64	City Park - North Diamond Field Upgrade	Upgrade the sports field in City Park	550,000	Operating and maintenance costs will increase with the additional facility
P65	City Park - Cook Diamond Field Upgrade	Upgrade the sports field in City Park	550,000	Operating and maintenance costs will increase with the additional facility
P66	Buckley Park - East Field Upgrade	Upgrade the sports field in Buckley Park	600,000	Operating and maintenance costs will increase with the additional facility
P67	Buckley Park - West Field Upgrade	Upgrade the sports field in Buckley Park	600,000	Operating and maintenance costs will increase with the additional facility

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
P68	Sendall Gardens - Building Area (DCC-P015)	Make improvements anticipated in the DCC bylaw.	1,000,000	Operating and maintenance costs will increase with the additional facility
P69	Douglas Park - Lawn Bowling Green and Clubhouse	Consider rebuilding the lawn bowling green in Douglas Park with artificial turf and rebuild the clubhouse as a multi-use facility, in partnership with the lawn bowling club and other user groups.	1,000,000	Operating and maintenance costs will increase with the additional facility
P70	Hydro ROW Greenway - Paved Trails, Community Gardens (DCC-P007)	Make improvements anticipated in the DCC bylaw.	1,400,000	Operating and maintenance costs will increase with the additional facility
P71	Brydon Park - Land Acquisition (DCC-P001)	Make improvements anticipated in the DCC bylaw	2,500,000	Operating and maintenance costs will increase with the additional facility
P72	Nicomekl Park - Trails, Interpretive Signage, Viewing Platform (DCC-P012)	Make improvements anticipated in the DCC bylaw	800,000	Operating and maintenance costs will increase with the additional facility
P73	Parkland Acquisition (DCC-P016)	Make improvements anticipated in the DCC bylaw	3,000,000	Operating and maintenance costs will increase with the additional facility

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Sewer & Drainage Utility Projects				
S1	Sewer Replacements - Various Locations (DCC-S020)	Small capacity upgrade to the sewer system in various locations.	100,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S2	48 Ave & 202 St Culvert rehabilitation	Design and construction of a new culvert that is in need or replacement. Also necessary to provide road widening to accommodate bike lanes.	500,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S3	48 Ave Sewer 208 St to 210 St	Replace sewer due to deteriorating condition and potential capacity issues.	370,000	Operating and maintenance costs will reduce with repairs of identified defects in the sanitary sewer system.
S4	56 Ave, Glover Rd to Langley Bypass	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	800,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S5	Douglas Crescent, 204 St to 208 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	1,035,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S6	Langley Bypass Culverts (Logan Creek)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	150,000	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S7	Brydon Lagoon - Diversify shoreline	Lengthen the shoreline by diversify plantings. Budget is to complete a design and complete a cost estimate to implement in future years.	10,000	None.
S8	50 Ave & 201A St. Culvert rehabilitation	To upgrade culvert on 50 Ave and 201A St.	300,000	Operating and maintenance costs will reduce with repairs of identified defects in the sanitary sewer system.
S9	Baldi Creek Culvert Replacement	To upgrade culverts on Baldi creek at 53 Ave for capacity and condition. (add to S7)	300,000	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S10	Reline Storm under railway Fraser Hwy & Prod	Installing a CIPP reline, cure in place pipe to rehabilitate the storm sewer pipe running under the railway crossing on Fraser Highway just west of Production Way.	250,000	Remedial work to will extend the life of the storm sewer and will reduce significant reconstruction costs in the future.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S11	Large Diameter Culvert Cleaning & Inspection	To clean and inspect large diameter culverts in the City creek system to identify defects and reduce flood risk.	200,000	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S12	Sewer Model Update	Current model is outdated as a result of significant upgrades and diversions. Will prioritize upgrades, ensure adequate capacity is provided and confirm that areas that have been diverted no longer need upgrades.	30,000	Will prioritize projects and ensure they are planned accordingly.
S13	Langley Bypass Culverts (Logan Creek)	To replace two existing culverts that are deteriorating under the Langley Bypass at Logan creek.	1,500,000	None.
S14	Brydon Lagoon Habitat Features	Implement floating islands to promote resting/nesting areas for birds.	50,000	None.
S15	Production Way	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	425,000	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S16	Fraser Hwy Sewer Replacement - 204 St to 208 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	510,000	None.
S17	Brydon Lagoon divert run off	Complete a study to confirm if and how storm water can be diverted to the lagoon and assess impacts to surrounding area	10,000	None.
S18	Brydon Lagoon Viewing Platform	To construct a wooden walkway/viewing platform along the perimeter trail to improve views around and within the lagoon	100,000	None.
S19	Old Yale Lift Station (DCC-S024)	To upgrade the sewer to provide local sewerage for the residents.	223,500	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S20	Brydon Lagoon replace invasive with native species	Remove invasive plant species and replace with native species.	50,000	None.
S21	200 Street: 49 Ave to 50 Ave (DCC-S007)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	839,025	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S22	Senior Resource Centre Pond	To complete improvements as per the pond study including storm water management.	250,000	None.
S23	Grade Cr: 203 St / 48 Ave to 205 St (DCC-S005)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	1,031,250	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S24	198 St: 53 Ave to 56 Ave (DCC-S019)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	346,500	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S25	Industrial Avenue: 201 St to 203 St (DCC-S006)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	437,250	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S26	49 Avenue: 196 St to 200 St (DCC-S013)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	672,375	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S27	204 St: 53 Ave to Fraser Hwy	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	134,195	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S28	206 St: 53A Ave to 56 Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	108,995	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S29	56 Ave: 200 St to 201A St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	235,965	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S30	Park Ave: 204 St to Douglas Cr	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	157,340	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S31	Brydon Lagoon - Enhance Public Features	Enhance the public features at the Brydon Lagoon	50,000	None.
S32	56 Ave: 201 to 203 (DCC-S011)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	1,251,985	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S33	55A Ave: West End (City Limit) to 198 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	137,480	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S34	208 St: Fraser Hwy to 56 Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	3,820	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S35	196A St: 60 Ave to Fraser Hwy	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	213,115	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S36	Logan Ave: 204 St / Duncan Way to 203A St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	129,345	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S37	207 St: 53A Ave to Douglas Cr	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	181,870	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S38	206 St: 53A Ave to Douglas Cr (DCC-D006)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	132,415	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.
S39	206 St: 53A Ave to Douglas Cr (DCC-S015)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	649,440	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S40	Langley Bypass Lift Station (DCC-S022)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	223,500	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S41	Logan Ave/Lane S of Logan: to Fraser Hwy (DCC-S001)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	1,202,850	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S42	Fraser Hwy: 56 Ave to 204 St / Glover Rd	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	122,380	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S43	54 Ave: 201A St to 204 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	76,820	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S44	54A Ave: 201A St to 203 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	61,705	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S45	53B Ave: 200A St to 201 St	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	78,070	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S46	54A Ave: West End (Cul-de-sac) to 198 Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	142,755	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
S47	51A Ave: 50A Ave to 206 St (DCC-S018)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	305,250	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S48	201A St: South End (Dead End) to Industrial Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	318,270	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S49	200A St: 53A Ave to 53B Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life. In conjunction with water upgrades.	112,005	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S50	200 St: 56 Ave to Industrial Ave	Replace existing AC sewer main to reduce risk, as it has reached the end of its useful life.	371,675	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S51	Brydon Lagoon - Deepen Sections	To provide deeper areas within the lagoon so fish could retreat to these areas if water is too warm in the shallower zones	200,000	None.
S52	Hydro ROW (Adjacent): 200 St to GVRD main (DCC-S014)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	1,455,300	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S53	200 St: Production Way / Logan Ave to Langley Bypass (DCC-S017)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	801,900	Operating and maintenance costs will reduce with repairs of identified defects in the sewer system.
S54	Fraser Hwy: 196 to Bypass (DCC-D015)	Capacity upgrade to provide local sewerage for the residents as identified in sewer model.	2,400,000	Operating and maintenance costs will reduce with repairs of identified defects in the storm sewer system.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
Water Utility Projects				
W1	Water Meter Replacement Program	To replace aging water meters that read the water consumption inaccurately.	25,000	Water consumption charges to consumers may increase with more accurate reading ability.
W2	Eliminate Pipe Twinning	Certain areas have two sets of pipes in the same roadway. To reduce the amount of maintenance the City will switch some of the services from the duplicate pipe and decommission this pipe to reduce the ongoing maintenance costs and potential for leaks.	200,000	Reduce on-going maintenance cost.
W3	Cast Iron & AC Watermain Replacements	Replace existing water main identified in water model to enhance pressure and/or fire flow.	150,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W4	Replace SCADA System	Replace SCADA system that remotely monitors and controls the water reservoir and pump stations	150,000	None.
W5	56 Ave, Glover Rd to Langley Bypass	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	800,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W6	Douglas Crescent, 204 St to 208 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	500,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W7	200 St: 50 Ave to Bridge	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	350,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W8	Fraser Hwy: Langley Bypass to Landmark (DC	Replace existing water main identified in water model to enhance pressure and/or fire flow.	273,490	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W9	Secondary Chlorinator	Add a secondary chlorination system on the outlet side of the water reservoir.	120,000	Improve water quality to satisfy the Ministry of Health requirements. Ongoing maintenance costs will be \$10,000 to operate the system.
W10	Booster Pump Station Decommission	Decommission the old booster pump station on 200 St.	100,000	None.
W11	Replace Blow Off Valves	The City has 103 blow off valves connected to the water distribution system. The funding will replace a number of valves to bring them up to current standards.	50,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W12	208 St PRV Upgrade	The City will rebuild the Pressure Reducing Valve (PRV) located on 208 St at 44 Ave allowing intermunicipal water flow during emergency events.	15,000	None.
W13	Maple Ridge / Barnston Pump Station	Provision for share of land assembly costs.	50,000	None.
W14	Utility Master Plans	Prepare water and sewer master plans	15,000	None.
W15	Production Way	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	715,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W16	Fraser Hwy: 204 to 208	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	640,000	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W17	200 St: 44 Ave to 50 Ave (E)	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	1,176,630	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W18	Grade Cr: 200 St to 208 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	1,153,800	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W19	55A Ave: 200 St to 201A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	145,130	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W20	198 St: 53 Ave to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	253,825	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W21	Industrial Ave: 201A St to 203 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	238,430	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W22	49 Ave: 196 St (Border) to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	716,850	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W23	204 St: 53 Ave to Fraser Hwy	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	142,665	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W24	206 St: 53A Ave to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	108,740	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W25	56 Ave: 200 St to 201A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	295,550	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W26	Park Ave: 204 St to Douglas Cr	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	81,635	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W27	206 St: 44A Ave to 46A Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	179,940	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W28	207A St: 44A Ave to 46A Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	180,620	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W29	46 Ave: 206A St to 207A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	222,030	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W30	46 Ave: 208 St to 209A St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	201,520	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W31	55A Ave: West End (City Limit) to 198 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	218,130	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W32	208 St: Fraser Hwy to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	238,545	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W33	196A St: 60 Ave to Fraser Hwy	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	165,315	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W34	56 Ave: 203 St / Douglas Cr to Fraser Hwy	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	163,100	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W35	55 Ave: West End (Cul-de-sac) to 198 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	113,675	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W36	Eastleigh Cr: Glover Rd to 56 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	386,675	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W37	208 St: South End (Cul-de-sac) to Douglas Cr	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	145,690	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W38	45A Ave: 199 St to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	187,420	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W39	209 St: 45A Ave to 46 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	137,790	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W40	Fraser Hwy: 56 Ave to 204 St / Glover Rd	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	124,670	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W41	54 Ave: 201A St to 204 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	295,330	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W42	206A St: 45 Ave to 46 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	178,980	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W43	53A Ave: West End (Cul-de-sac) to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	44,725	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W44	51A Ave: West End (Cul-de-sac) to 204 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	208,715	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W45	54A Ave: West End (Cul-de-sac) to 198 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	101,145	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W46	Glover Rd: Logan Ave to Duncan Way	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	397,235	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W47	Old Yale Rd 1: Northwest End to Old Yale Rd	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	282,630	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W48	48 Ave: 196 St (City Boundry) to 200 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	694,530	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W49	48A Ave: 196 St to 1/2 Way	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	168,105	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W50	53A Ave: 200A St to 201 St	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	82,455	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W51	205 St: 50 Ave to North End (Cul-de-sac) (DCC-W016)	Replace existing water main identified in water model to enhance pressure and/or fire flow.	167,310	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

CAPITAL IMPROVEMENT PLAN - PROJECT DETAILS

Item	Project Name	Description	Budget Amount	Financial Plan Impacts
W52	201A St: South End (Dead End) to Industrial Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjunction with sanitary sewer replacement.	22,600	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W53	200A St: 53A Ave to 53B Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life. In conjuncture with sanitary sewer replacement.	37,135	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W54	200 St: 56 Ave to Industrial Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	90,705	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W55	197B St: 49 Ave to North End (Cul-de-sac)	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	313,380	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W56	200 St: 50 Ave (E) to 53 Ave	Replace existing AC water main to reduce risk, as it has reached the end of its useful life.	493,045	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.
W57	199 St: South End (Cul-de-sac) to 45A Ave (DCC-W019)	Replace existing water main identified in water model to enhance pressure and/or fire flow.	74,250	Reduce on-going maintenance cost as well as repair cost associated with potential broken water main.

GLOSSARY

Accounting Principles	A set of generally accepted principles for administering accounting activities and regulating financial reporting. These principles comply with Generally Accepted Accounting Principles for British Columbia municipalities.
Accrual Accounting	An accounting method where revenues are recognized in the accounting period in which they are earned and expenses are recognized in the period in which they are incurred.
Assessed Value	The value calculated for each parcel of real property using appraisal criteria established by the B.C.A.A. Each property reflects market prices of the land and its improvements and recognizes any change of use. These values are the basis of levying property taxes.
B.C. Assessment Authority	(BCAA) This provincial agency is assigned to appraise and evaluate all real property within British Columbia.
Capital Expenditure	An appropriation of funds for a capital improvement project or asset. These are non-operating expenditures to acquire assets which will have a useful life greater than one year.
Capital Improvement Program	(CIP) An annual program of capital expenditures. The program identifies the project and the source of funding.
Cash Basis	An accounting method where transactions are only recognized when cash is received or dispersed.
Community Police Office	(CPO) This service assists in bringing policing closer to the community providing a local positive presence, and added convenience to residents.
CUPE	The Canadian Union of Public Employees.
Department	A budgeted City activity directed by a department head.
Development Cost Charges	A fee imposed on new development to assist in the funding of future off site services (infrastructure) which is needed, in part, by that new development.

GLOSSARY

E-Comm	An organization that provides emergency communication services for all public service agency in southwestern British Columbia.
Encumbrances	An expenditure which has been committed, but is unpaid. The recording of encumbrances identifies all financial obligations and it assists control of the annual budget.
Emergency Social Services	(ESS) Emergency Social Services is a provincial emergency response program. ESS are those services required to preserve the well-being of people affected by an emergency or disaster.
Expenditures	The cost of goods and services received for both the regular City operations and the capital programs.
F.T.E.	Full time equivalent staffing positions.
Financial Plan	Under Sec 165 & 166 of the Community Charter, Council must adopt a five year financial plan, by bylaw and before the annual property tax bylaw is adopted. The plan must identify expenditures, funding sources and fund transfers.
Fraser Valley Regional Library	(FVRL) A regional board which provides library services to the Cty and other member communities in the Fraser Valley.
Fund	A fiscal entity of self balancing accounts used by governments to control common financial activities.
Fund Balance	The amount that assets exceed the liabilities in an operating capital, reserve or trust fund.
General Fund	The primary operating fund used to account for most of the City's financial resources and obligations.
GIS	An abbreviation for Geographical Information System.
Goals	Are broad statements of direction. They identify ongoing community needs and the approach taken by the City and departments to manage or satisfy those needs.

GLOSSARY

Grant	A financial contribution to or from governments.
Greater Vancouver Regional District	(GVRD) A regional district entity responsible for coordinating common and jointly funded regional member services.
Greater Vancouver Transportation Authority	(GVTA) The regional government agency, also known as "Translink", responsible for Coordinating and operating public transit in the lower mainland of British Columbia.
Greater Vancouver Water District	(GVWD) A regional district entity responsible for coordinating common and jointly funded sewerage district member services
IAFF	The International Association of Fire Fighters
Municipal Insurance Association	(MIA) A non-profit insurance co-operative, founded by the Union of British Columbia Municipalities, which pools the common risks of its members for their mutual advantage by maintaining the liability insurance coverage needed for financial security, stabilizing liability insurance costs and providing risk management education to assist members in preventing claims.
Langley Youth and Family Services	(LYFS) This service is supplies to help minimize the entry of youth into the criminal justice system by providing counselling and support.
Local Government Act	Legislation of the province for administering and regulating the activities of municipalities within British Columbia.
Municipal Finance Authority	(MFA) A provincial agency created to coordinate all of the long term borrowing requirements of British Columbia
Objective	Is a specific or well-defined task or target that is measurable and achievable within a set period of time.
Operating Budget	An annual expenditure plan for performing the every day service programs and activities of the City.

GLOSSARY

PSAAB	The public Sector Accounting & Auditing Board
R.C.M.P.	Royal Canadian Mounted Police.
Reserves	Discretionary funds established to pay for specific projects.
Revenues	Sources of income received by the City. They include property taxes, fees, grants, permits and licenses, fines, grants, interest, etc.
Sewer Utility	A self funding utility that provides sanitary sewage services to properties in the City. Properties are charged based on 80% of their metered water consumption.
Tax Rates	The annual charges for levying property taxes to properties within the City. These rates are applied against each \$1,000.00 of assessed value.
Union of British Columbia Municipalities	(UBCM) An organization of British Columbia municipalities with lobbies Federal and Provincial Governments to initiate legislative changes that will benefit the member communities.
Water Utility	A self funding utility that supplies water services to properties in the City. All City properties are metered for their water consumption and accordingly charged.
