Comments:

I am out of town on March 6, 2017 so cannot attend a public hearing regarding Bylaw No 3014 - Zoning Amendment and Development Permit DP 01-17 I oppose any change in zone for the above property from CD38 the area is just not large enough for a complex of that size and will have a very negative impact on the neighbourhood. traffic the impact of the new building at 5363 201 has not been felt as yet. This area was not considered large enough for a complex of the size being applied for when zoned and should stay as townhouses
