Subject: RE: Development Permit Application, No. DP12-17

To whom it may concern,

I am writing regarding the development proposal for 20416 Park Avenue (Lot A, District Lot 36, New Westminster District, Plan EPP70407 and an Undivided 1/3 Interest in Lot 1, District Lot 36, Group 2, New Westminster, Plan 87218).

As a long-time resident within the area, I have noticed that the City of Langley is lacking medium-density housing options within the down town area, such as townhouses.

I wish to see that future medium-density options developments along Park Avenue (e.g., DP 12-17, or lots 20427, 20437, 20445, 20453, 20463).

City cores with a variety of housing options are richer in many ways, not only economical. I hope that the City of Langley takes this factor into consideration when reviewing this and future developments.

Sincerely,

Harley Lang
A concerned resident of 20460 Douglas Crescent
