Engineering Requirements:

Discussion:

The subject property is currently zoned C2 Service Commercial Zone. This zone is intended to accommodate and regulate the development of commercial uses which require large format sites, and are generally not accommodated in downtown core commercial areas. To differentiate retail activity within the C2 Zone, retailing is defined as Retail Warehouse which only permits retailing of good and services provided that individual commercial retail units (CRU's) are not less than 371.6 m² (4,000 ft²).

The owner of Langley City Square, *Wesgroup*, has successfully attracted and created an outstanding large format retail development prominently located along the Langley Bypass, consisting of 537,791 ft². In doing so, it has fulfilled the original vision and intent of the City's C2 Zone. Despite the success of the overall development, there remain a few vacant spaces on the site that they believe would be ideally suited for smaller scale tenants and complement to the vibrancy of the site, occupying less than 4,000 ft².

As a result, the owner's are requesting exemption of the 4,000 ft² requirement for retail warehouse tenants, that would only be applicable to a maximum of 25% of the total leasable area of the site.

Staff support this request which is consistent how the City regulated other large format retail developments located along the Langley Bypass.

CD1 Zone 20075 Langley Bypass	140,000 ft ²	25% Small Format Retail
CD8 Zone 20155 Langley Bypass	13,000 ft ²	10% Small Format Retail

Proposed CD56 Zone 19868 Langley Bypass	182,119 ft²	25% Small Format Retail
